The Authentic Witness:

The Authentic Witness C. Norman Kraus, 2010-03-01 Traditional Protestant theology has long answered the question What is the true church by pointing to the visible church its location nature and structure The recent increase of interest in missions however has raised the issues of the church s role and identity its mission in the world It is no longer enough to use orthodoxy as the criterion for the genuineness of the church identifying the body of Christ by organization or clerical structure perfection in lifestyle or ecstatic experience of the Holy Spirit Rather says Norman Kraus the mark of the true church is its authenticity its ability to remain true to its original prototype in character and purpose Thus the church s mission is to be the authentic community of witness to the world The Christian community affirms each individual as a person in Christ and its objective for the world is the same as for itself it calls the world to peace in Christ The church in mission then must be a sign to the world of the kingdom of God As an authentic community it is a healing community characterized and organized around its mission of reconciling witness rather than creeds various practices or preaching Following Christ as its model its message is salvation and reconciliation

The Witness - A True Story david de Manbey, 2018-03-04 It was in the middle of a snow storm in the dead of night when I threw my shovel into a large snow mound and lifted my fist up to God in defiance I was angry with him and tired of life That night he lifted the veil and showed me the reason for my torment a hoard of demons attacking me and my family The unseen was now the seen to me It would be two more years of attacks from these spirits until I was given authority over them by committing my life to Jesus Christ This is a true account of the unbelievable the suffering brought about by these spirits to me and my family and final redemption through Jesus Christ I stand not as a believer of Jesus Christ from reviewing the evidence but as a witness because of what I have seen and experienced that Jesus Christ is exactly who He said He was Blessed are they who believe but have not seen [A Faithful](#)
