Tafoya, Amanda Bailey, Richard Van Swearingen, Heather N. Royer, 2002 *The International Migration Review*, 1998 **Immigrant Women in the U.S. Workforce** Georges Vernez, 1999 This book represents a first effort to systematically describe the experience of immigrant women in the U S labor market over the past thirty years It may come as a surprise that the United States is currently home to more immigrant women than immigrant men However until this study was conducted the attention of analysts and policymakers has focused solely on the labor performance of immigrant men Georges Vernez s analysis of immigrant women s experience is the first to break this trend revealing a complex story that resists easy interpretation Some immigrant women succeed beyond all expectations while others struggle all their lives and have little to show for it In examining the myriad factors that contribute to the success and failure of immigrant women in the U S workforce this book provides a profile of their changing origin and characteristics describes what they do where they work and how they fare in the U S labor market and looks at the use they make of public services to support themselves **The Debate in the United States Over Immigration** Peter Duignan, Lewis H. Gann, 1998 With the annual number of immigrants to the United States at an all time high the debate over immigration has reached a fevered pitch Do today s immigrants come to this country just to go on welfare Will immigration forever change America s ethnic cultural and political landscape Some see unrestrained immigration as the lifeblood of the world s most successful society while others have called for closing the borders entirely After the introduction which examines the historical debate over immigration the book looks at the current spectrum of economic political social and legal issues related to immigration into the United States from compelling arguments for limited immigration to forceful arguments for open borders As part of the program on American Institutions and Economic Performance leading scholars and business experts convened at the Hoover Institution in October 1996 Amid swirling

controversy over passage of California's Proposition 187 which denies welfare benefits to illegal immigrants conference participants discussed current state and federal immigration policies and the strengths and weaknesses of proposed changes Presented here is a powerful cross section of papers from that conference each covering a major aspect of the overall immigration issue The distinguished participants offer assessments of the benefits and costs of immigration along with its impact on education social welfare and health care and then presents appraisals of the widely publicized subject of undocumented immigration and employer sanctions With immigration becoming a personal issue for millions of Americans The Debate in the United States over Immigration illuminates fundamental individual truths crucial to making policy decisions that will ultimately best serve American society Publisher description *UCLA Journal of International Law and Foreign Affairs*, 1998 Mental Health Care for New Hispanic Immigrants Manny J.
