Unholy Darkness:

A taste of blood tim brown,2010-05-29 Her eyes oh my god what is wrong with her eyes How do they glow like that They are luminescent like the eyes of some night animal What in the hell is going on here My thoughts are broken by a gasp as my mother takes her final breath With a sigh Vicky rises from the bed Turning to face me she smiles Long white teeth showing through barely parted lips teeth like the fangs of a serpent A collection of macabre and devilishly enjoyable Vampire poetry and short stories This collection you will definitely want to read with the lights on because it will leave you with a chill running down your spine A MUST HAVE for any avid Vampire Reader *The Head of the Serpent* W.C. Gorski,2022-07-09

Prelude Question Could it be that the future is really our past one linked to the other in an inseparable bond traveling endlessly in circular patterns throughout time and space repeating itself over and over each time manifesting itself in a familiar but uniquely distinct manner There is an old adage that says throughout life you can count your true friends on the fingers of one hand It s not about who you pretend to be that forms the bond a boastful show of wealth or good works but rather who you really are that matters In the end there is only one true friend who willingly gave His life to save yours Not much was asked in return It was a gift given by grace Past or present what you do with that gift it is up to you It just may determine your future Those who do not remember the past are condemned to repeat it George Santayana circa 1905 approx To everything there is a Season and a Time to every Purpose Under Heaven Ecclesiastes 3 1 KJV Preface An Obelisk unearthed by the Dwarven Army mystically projected a warning revealed in a drifting vapor from within its solid granite walls It was a warning originally carved in stone written by the ancients in Sumerian text long before the time of the Troll Wars An old Monk received a visit in the form of a heaven sent apparition A glimmering image of a close friend a spirit long passed sent to convey a similar warning Both carried the same message Beware the Head of the Serpent The Sword of Leahanna had become detached no longer linked to the Pearl or any one person sent to rest deep within the waters of Lake A Lithander in the heart of the Elfin forest of I Thillianne For the Sword it would be a time of healing A new Pearl would be cultivated and nurtured Its power soon to return The diabolical plans of the Devil and his army of Demonic Monsters had been foiled and put asunder due to the combined efforts of the Roluk Hordes Elfin Forces three Wizards the Sword of Leahanna and of course by the very Hand of the Lord Himself The Evil One had been sealed within the portal of the second heaven The door had been slammed shut for a Time Times and Half a Time Only the Head of the Serpent remained The driving force of Evil was now in chains All seemed to be good But Not So Fast The seed of perdition had already been cast set in place by a long dead Evil Wizard Little by little it began to grow in power taking the form of a vile and evil creature that came to be known as the Beast Slowly this beast tightened its grip upon the inhabitants of the Realm starting with Westshire and the lesser known provinces Population control through debt and coercion would entice those unaware to do its bidding None ensnared by its cruel monetary policies could buy sell or prosper without its mark or the number of its name In turn it

would use its ill gotten gains to finance the ongoing war between good and evil The Head of the Serpent began to take control For it was said Who is likened onto the Beast Who will worship the number of his name In Norsada to the North Thargor was back in power with a new mission signing a non aggression pact and combining forces with Gog and the Trolls Meanwhile the Muzoule militia had been pouring in the Southern borders near the Hill Country bankrolled by an evil cabal of a New World Order aligned with power hungry criminal elements and hidden spies Their aim was to over run the territories of the Realm and enslave its inhabitants setting up its Throne of Evil near the Temple of I Thillianne If successful the Dark Tower would once again become the new beacon of power It would be up to the Allied powers to put an end to it As a unified force they would employ new weapons and new assault tactics neither Kholta Kahn K Leander Jorax nor King Hagar and Queen Czarkov would make it easy for them
