## **Union With God:**

**Union with Christ** Rankin Wilbourne, 2016-07-01 Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's Desiring God ministry To experience why the gospel is good news and answer life's most foundational questions about identity, destiny, and purpose we must understand what it means to be united to Christ. If you are a Christian, the Bible says that Christ has united his life to yours that you are now in Christ and Christ is in you. This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation. Yet few Christians today experience or enjoy this reality. Union with Christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart: Who Am I? Why Am I Here? Where Am I Headed? How Will I Get There? Nothing is more practical for living the Christian life than union with Christ. The recovery of this reality provides the anchor and engine for your life with God for your destiny is not only to see Christ but to actually become like him. Goldsmith invites readers on a profound journey of awakening to their true nature as expressions of the Divine. With deep insight and practical guidance, Goldsmith illuminates the path to realizing the presence of God within and unleashing the transformative power of spiritual consciousness. Through a series of thought-provoking essays, he explores the foundations of spiritual healing, the role of meditation, and the ultimate goal of mystical union with the Infinite. This timeless work offers a roadmap to liberation from the illusions of material existence and the discovery of enduring peace, wholeness, and fulfillment in the realization of our eternal oneness with the Divine. Step into the sanctuary of your own being and awaken to the magnificent reality of your true Self. *Spiritual Union and Communion* Arthur W. Pink, 2002-09

[Home with God](#) Kyle Worley, 2025-02-11 What if we've missed the most wonderful truth about salvation? That you and I were created to live at home with God. Not just in some far future heavenly world, but right now. You and I are invited to live at home with God in Christ Jesus. This invitation is called union with Christ. And it is one of the most unbelievable and overlooked realities of Christian salvation. In this book, Kyle Worley, pastor, author, and host of the *Knowing Faith* Podcast, guides readers along the story of Scripture to help them understand that this invitation into life with God in Christ is not only a key part of the Bible's entire message but also the primary belief of Christian salvation. In *Home with God*, you will discover how the Christian's union with Christ creates a new me, a new we, and a new way of living in and living out God's story. Wisdom is found in knowing God and knowing ourselves. *Home with God*: An Invitation into Union with Christ is a simple and engaging introduction to this wonderful truth. With discussion questions at the end of each chapter for reflection, it is a great resource for both individual reflection and small group discussion. *Spirituality* How enter union with God through Jesus Christ with Mary [Union with God](#) Gabriel Of St. Mary Magdalen, 2019-07-08 Christian perfection consists in the twofold

way of charity service of neighbor and our direct quest for God's love. Many of us discover ways to love our neighbor but few achieve intimacy with God. Why? Because we don't know how to prepare ourselves properly to reach this exalted goal.

**On Union with God** Albertus Magnus, 2016-06-04

Surely the most deeply rooted need of the human soul, its purest aspiration is for the closest possible union with God. As one turns over the pages of this little work written by Blessed Albert the Great towards the end of his life when that great soul had ripened and matured, one feels that here indeed is the ideal of one's hopes. Simply and clearly the great principles are laid down, the way is made plain which leads to the highest spiritual life. It seems as though while one reads the mists of earth vanish and the snowy summits appear of the mountains of God. We breathe only the pure atmosphere of prayer, peace and love and the one great fact of the universe, the Divine Presence is felt and realized without effort. But is such a life possible amid the whirl of the twentieth century? To faith and love all things are possible and our author shows us the loving Father ever ready to give as much and more than we can ask. The spirit of such a work is ever true, the application may vary with circumstances but the guidance of the Holy Spirit will never be wanting to those souls who crave for closer union with their Divine Master. This little treatise has been very aptly called the *Metaphysics of the Imitation* and it is in the hope that it may be of use to souls that it has been translated into English.

Blessed Albert the Great is too well known for it to be necessary for us to give more than the briefest outline of his life. The eldest son of the Count of Bollstätt he was born at Lauingen in Swabia in 1205 or 1206 though some historians give it as 1193. As a youth he was sent to the University of Padua where he had special facilities for the study of the liberal arts. Drawn by the persuasive teaching of Blessed Jordan of Saxony he joined the Order of St. Dominic in 1223 and after completing his studies received the Doctor's degree at the University of Paris. His brilliant genius quickly brought him into the most prominent positions. Far famed for his learning he attracted scholars from all parts of Europe to Paris, Cologne, Ratisbon, etc. where he successively taught. It was during his years of teaching at Paris and Cologne that he counted among his disciples St. Thomas Aquinas, the greatness of whose future he foretold and whose lifelong friendship with him then began. In 1254 Albert was elected Provincial of his Order in Germany. In 1260 he was appointed Bishop of Ratisbon but resigned his see in 1262. Whether we consider him as a theologian or as a philosopher, Albert was undoubtedly one of the most extraordinary men of his age. I might say one of the most wonderful men of genius who appeared in past times.

*Union with Christ* Jordan Cooper,2021-08 The Christian's participatory union with Christ is a central element of salvation both in Scripture and in the historic Christian tradition In the early twentieth century however this theme gradually began to diminish in its prominence within Lutheran theological writing Due to a variety of philosophical and theological shifts many Lutherans began to emphasize forensic justification to the exclusion of participationist motifs That forensic exclusivism is challenged in this work In this book Jordan Cooper articulates an approach to union with Christ that is drawn from both Patristic theology and the classical Lutheran tradition Throughout this study Cooper expositis union with Christ under three distinctive categories the objective union of God and man through the Incarnation the formal union of faith in which the believer is united to Christ's person and work and the mystical union through which the Triune God dwells in the hearts of Christians This book is the sixth volume in a series titled *A Contemporary Protestant Scholastic Theology*

*The Divine Glory of Union With God* Matthew Tucker,2021-10-17 The revelation of all revelations the mystery of mysteries Christ in you the hope of glory is the revelation the body of Christ needs to understand receive and walk in right now This will change everything This book is a trigger a sound a trumpet from the heavens and the powers of the age to come this is a corner we must turn as the body of Christ to bring about the restoration of all things Contained within these pages is a doorway a portal and a pattern of the access we have as children of God seated in the heavenly places in Christ In Book 1 *Face in a Glass* volume 1 you will be taken from Genesis to Acts and journey through every single key scripture concerning your divine mystical union with God This book began with an encounter with God It never started as a book It began as a dialogue with God that became something else I remember so clearly the word of the Lord coming to me in my studies and God saying go to your first point and look at it which I did I said yes Lord what now He said write before it a zero which I did and next to zero write union with God I wrote it down and the moment I finished writing I heard the word of the Lord say with such passion and clarity and certainty study this And when you get this everything else will work Amen
