Mawson, 2021-09-10 Ancient curses Blocked memories And an Academy for young witches that might just hold the answers I should have known something was wrong when my weird aunt arrived in town just as I started getting killer headaches But how was I supposed to know that it was a sign of repressed magic Or that an ancient witch had escaped her tomb and sent demons after me Demons who cursed my mother I wanted to stay with her even if she wouldn't wake but I was sent to Ember Academy for Young Witches instead Somewhere the demons hopefully can't get me I need to find a way to lift the curse but there's a block on both my magic and memories that everyone is refusing to lift A block that might hold the answers as to why an ancient witch is after me in the first place If I can figure her out maybe I can figure out this curse My teachers don't want me digging into it worried about the danger But I don't care My mother was cursed because of me and I'm not going to rest until she's safe again Ember Academy for Young Witches Books 1-6 collects together all six books in the Ember Academy for Young Witches YA Urban Fantasy Academy series If you love kick ass heroines Sapphic slow burn romances and magical boarding schools you'll love this latest fast paced series in L.C.
