Young Adult Resources Today: Connecting Teens with Books, Music, Games, Movies, and More is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research-focused information behavior approach with a literature-focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults. Currently, no single book addresses both YA information behaviors and information resources in any detail; instead, books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in integrating theory, research, and practice; integrating implications for practice throughout the book; integrating knowledge of resources with professional practice as informed by research; integrating both print and electronic formats throughout within the resource chapters, including websites and social media. Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood, diversity, YA development, and multiple literacies. Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres, movies, magazines, web sites, social media, and gaming. The final chapter covers navigating information landscapes, focusing on real and virtual YA spaces, readers' advisory programming, and collaboration. Special attention is paid to program planning and evaluation. [Edinburgh History of Reading](#) Rose Jonathan Rose, 2020-07-09. Reveals the experience of reading in many cultures and across the ages. [Common Readers](#) casts a fascinating light on the literary experiences of ordinary people: miners in Scotland, churchgoers in Victorian London, workers in Czarist Russia, schoolgirls in rural Australia, farmers in Republican China, and forward to today's online book discussion groups. Chapters in this volume explore what they read and how books changed their lives. [A Cursed Noel](#) Cecy Robson, 2022-09-30. In a daring move, his packmate acquires the help of the town hag, Mimi. And Mimi knows just the gal to snap Aric out of his downward spiral. Using a forbidden spell, Mimi transports Aric to a different place and time where festive holiday decorations rule the land, and where his love, Celia Wird, waits in peril. Will Aric be able to save Celia and her family from a fate worse than death?
