*My Heart's Blood* Jacqueline Mc Elchar,2013-09-12 Jack Boyton only grandson of one of the few Irish peers left in Ireland is summoned from his busy high profile entertainment job in Dublin to his familys sedate country estate in the tight knit community of Milltown Donegal where everybody knows everyones business When his adopted uncle becomes seriously ill Jack soon realizes he is happiest when surrounded by family and his childhood friends TJ and Marie who keep him grounded in the real world As it dawns on Jack that his family should be his priority he enlists the help of his friends to do just that although his growing feelings for Marie complicate matters especially when he tries to find out if she likes him as much as he does her and wonders what tension this would cause between TJ and himself After all Marie is TJs twin sister To some village life could feel stifling but Jack knows when the chips are down the community will look out for each other no matter the old feuds fights or differences and their help seems more worthy now that his uncle is dying When Jack is left a daunting task from beyond the grave by his late uncle to retrieve a mythical spear and keep it from the power hungry hands of the notorious recluse Maximilian Elstrom he finds trying to put things right for his uncle has led his family and friends into grave danger The cozy life he envisaged is about to be shot to pieces when he realizes that life as he knew it growing up full of wealth and privilege had also been full of lies and deceit
