

Good Neighbor

**The good neighbors
Friday, 12th October 2018**

**You can change friends
and send like or dislikes till an end
but you can't offend the neighbor
as you will always find him next door**

**This is the unwanted situation
and you always want a harmonious relation
the peace is the only situation
let there remain no confusion**

**the neighbor may run first
the relatives may reach the last
compromise and cast no doubts
live peacefully and only welfare should be talked about**

**neighboring countries should co-exist
their reference should be the people first
the tension on the border makes life miserable
the war, in any case, is avoidable**

**let the people of both the countries prosper
the congenial atmosphere should be explored further
let borders remain calm for civilian movement
the border trade maybe good at present**
