## **Yours Always:**

**Yours Truly - An Eternal Saga Of Hearts** Geeta Saini,2023-03-18 I am no author who dives deep down into the ocean of affluent thoughts and writes great sagas to last eternally I am just a humble teacher with a heart overwhelmed with the memories of my students who came into my life in school as small children and stayed back forever even when they grew up They walked side by side with me on the road of life sharing all smiles and sorrows They say a teacher imparts knowledge Yes they do but it is also true that some students teach truly beautiful lessons make a difference in life support applaud inspire and help in forging an authentic teacher too Yours Truly is me whom the magnanimous provider blessed with many students who made me a teacher in true sense This book is a mark of gratitude to all my boys and girls who were are and for sure will be with me as my inspiration Indebted I am to them all for not only being there and keeping connected with me with all their care love and concern but also teaching me so many precious lessons to abide **I Am Yours Forever** Vishakha Singh & Rohit Raj,2020-09-14 The only relation that we get choose post birth is with whom are heart connects with Many a times our heart overpowers our brain but that one time when it makes the best decision of our life is when we are ready to share our life with someone else Everyone I can say I love you but the best thing someone can ever say when they are in love with you is I am yours forever This anthology has and a combination of writers who poured their heart out and expressed their version of I am yours forever Books that will make you fall in love with love This phrase was our version of what love is and this book contains the versions of our extremely talented co authors **By Yours Truly** Tuheena Mohanty, By yours truly is a collection of short stories poems and articles woven by some of the most dedicated and talented writers from all over the world This book is of open theme expressing different aspects of one s feelings It is an anthology initiated by Rosewood publications and compiled by Tuheena Mohanty This anthology will surely win over the reader s heart *Yours Truly* Margarita Mayo,2018-02-22 At the heart of contemporary corporate leadership lies a crisis of confidence Since the financial crash of 2008 distrust of employers among the workforce has dramatically increased due to a lack of authentic leadership But how can leaders become and remain authentic Yours Truly draws on a host of inspirational examples from executives of multinational corporations to political leaders and sports leaders as well as more than two decades of research in order to examine and explain the missing link in research into authentic leadership how leaders strive for success excellence and constant renewal whilst remaining true to themselves Margarita Mayo introduces the three characteristics Heart Habits and Harmony that differentiate authentic from non authentic leaders Presented within a practical framework the book provides a measurable guide to developing your own authentic power Contagious passion that wins the hearts of others Setting new habits of learning to empower others And Enhancing harmony by building authentic contexts Ideal for managers senior executives and aspiring leaders Yours Truly captures the value of authentic leadership in transforming organizations The book strips away the seemingly magical innate charismatic qualities of leaders in order to showcase a less

mysterious and more practical process that can be followed by anyone    **C and D** ,1889    **Travelers' Record** ,1891
