Cook, 1981-08-01      *Youth Workers Handbook* Steve Clapp, 1990-01-01      **CYWU Part Time Youth Workers Handbook** Doug Nicholls, Community and Youth Workers' Union, 1999      *The SAGE Handbook of Youth Work Practice* Pam Alldred, Fin Cullen, Kathy Edwards, Dana Fusco, 2018-07-02

The SAGE Handbook of Youth Work Practice showcases the value of professional work with young people as it is practiced in diverse forms in locations around the world. The editors have brought together an international team of contributors who reflect the wide range of approaches that identify as youth work and the even wider range of approaches that identify variously as community work or community development work with young people, youth programmes and work with young people within care, development and informal education frameworks. The Handbook is structured to explore histories, current practice and future directions.

Part One: Youth Work and Approaches to Professional Work with Young People  
Part Two: Professional Work With Young People: Projects and Practices to Inspire  
Part Three: Values and Ethics in Work with Young People  
Part Four: Current Challenges and Hopes for the Future

As profound as relevant as funny as you are teenagers still listen to each other more than to an adult youth worker. You may grimace but you can't deny it: students talking to each other usually means more to them than adults talking to them. The Student Leadership Training Manual helps you equip your senior highers for leading their peers and taking charge of as much of the ministry as they want or are able, helping and evangelizing their peers, organizing ministry teams, planning and executing their own youth ministry programming. Here are 31 training sessions for discipling student leaders in a small group setting, sessions that start in the Bible and reach deep into teenagers' experience, ready for you to implement a clear and effective program that trains your students for higher levels of leadership, regardless of where they are now. Plus 24 pages just for you: a veritable primer on how to cultivate student leadership. The role of adults: Authority vs responsibility. Setting student leaders up for success. Teaching students not just the whats but the whys and hows. Helping them discover their spiritual giftedness. Perfect for youth workers, CE directors, associate pastors and small group leaders, anyone who works with a youth group's core kids.
