Youth & Crime John Muncie,2004 Printbegr nsninger Der kan printes 10 sider ad gangen

og max 40 sider pr session **Youth and Crime** John Muncie,2004 Young People, Crime and Justice Roger Hopkins Burke,2016-03-24 In the minds of the general public young people and crime are intrinsically linked wide spread belief persists that such activities are a result of the permissive 1960s and the changing face of the traditional nuclear family Roger Hopkins Burke challenges these preconceptions and offers a detailed and comprehensive introduction to youth crime and the subsequent response from the criminal justice system This extended and fully updated new edition explores The development of young people and attempts to educate discipline control and construct them Criminological explanations and empirical evidence of why young people become involved in criminality The system established by the Youth Justice Board its theoretical foundations and the extent of its success Alternative approaches to youth justice around the globe and the apparent homogenisation throughout the neoliberal world The second edition also includes new chapters looking at youth justice in the wider context of social policy and comparative youth justice *Young People Crime and Justice* is the perfect undergraduate critical introduction to the youth justice system following a unique left realist perspective while providing a balanced account of the critical criminology agenda locating the practical working of the system in the critical socio economic context It is essential reading for students taking modules on youth crime youth justice and contemporary social and criminal justice policy Text features include key points chapter summaries and review questions *Youth Justice* John Muncie,Gordon Hughes,Eugene McLaughlin,2002-05-24 An excellent reader It contains all the basic ingredients of a superb teaching book with the qualities of a thought provoking text Should be required reading for all students of criminal justice policy and it will be a valuable teaching resource for all those involved in the delivery of courses on young people justice and punishment *Punishment and Society* This is a valuable student text carefully collated and with an abundant array of material and will surely become a widely used course reader For the practitioner and general reader it is a book to dip into a means to access debates and remind oneself of the ebb and flow of policy *Youth Justice* *Youth Justice* brings together for the first time the most influential international contributors to the emergent field of youth justice studies *Youth Justice* provides a critical introduction to the intellectual reframing of the history theory policy and practice of youth justice an essential resource of key debates and controversies from across the range of disciplines engaged in the study of youth in the social sciences editorial essays at the beginning of each substantive section of the volume specially commissioned chapters at the end of each section which place the readings in their theoretical and historical context The Reader is the set text for The Open University course *Youth Justice Penalty and Social Control* D864 *Youth Justice Handbook* Wayne Taylor,Rod Earle,Richard Hester,2014-02-25 What knowledge and skills do you need to practise effectively as a professional within the youth justice system What values should inform your work with children and young people subject to criminal justice sanctions These are the central questions addressed by the editors and contributors in this comprehensive new text The *Youth Justice Handbook* provides an essential resource for practitioners in youth justice as well as those who are studying the

subject as part of their training or an academic course Its aim is to equip practitioners in youth justice and the wider children s workforce with an understanding of key theoretical concepts from a range of disciplines that might inform and enhance their work It encourages a critical interrogation of the ideas that underpin practice by drawing on social constructionist approaches to issues such as child development crime and punishment and related concepts It provides a descriptive account of current practice in areas such as community corrections and incarceration examining the evidence base for this and suggesting where appropriate alternative strategies The key objective of the Handbook is to provide students with the confidence to critically reflect on the ideas and debates that currently influence the work undertaken with young people as well as those that may shape practice in the future By equipping them with the basic skills of analysis and an understanding of key themes and developments it aims to further promote their progression as reflective practitioners and autonomous learners The Youth Justice Handbook takes a multidisciplinary approach and contains chapters from leading experts in the field which draw on original research and practical experience of working in the area It is divided into five parts Contexts of childhood and youth Research knowledge and evidence in youth justice Policy possibilities and penal realities in youth justice Reflective practice Widening contexts *Prevention and Youth Crime* Blyth, Maggie, Solomon, Enver, 2009 The 2008 UK government Youth Crime Action Plan emphasises early intervention in work with young people who offend or considered to be at risk of offending This approach includes targeted work with families and a reduction in the numbers of young people entering the justice system This report takes a critical look at early intervention policies *Criminology* Yvonne Jewkes, Gayle Letherby, 2002-07-24 This reader provides a thorough grounding in issues related to the study of crime the criminal justice system and social control The editors indicate crime s varied and conflicting history as well as its current debates The mixture of historical and more recent readings shows a variety of perspectives *Understanding Youth And Crime* Brown, Sheila, 2005-08-01 Reviewers comments on the first edition This is an excellent introductory textbook on youth and crime It is excellent not only in its analysis of criminological questions about youthful offending but also because it positions the debate within a wider context of the relationship between young people and society Young People Now The style is lively and readable and the reader is pointed unobtrusively within the text towards the work of the leading authors in the field a thorough and thoughtful introduction to the subject Social Policy a critical and scholarly summary of the state of research and theorizing around youth and crime This book provides a useful and challenging overview of the topic for undergraduate students The Times Higher Education Supplement This book is an accessible introduction to the subject of youth and crime The author explores the social construction of childhood and youth and looks at the role of the media in creating a strong association of young people with crime and disorder which sustains processes of marginalization and exclusion and leads to frequent panics about youth crime The importance of media representations of race and gender in these processes are also explored The second edition is substantially revised and updated to take account of new political

events and legislative developments including A new chapter on the phenomenon of cybercrime A critical examination of recent developments in youth justice policy A new chapter on the impact of globalization on young people which raises major issues around poverty war and the commercial exploitation of children This is a key text for students in criminology sociology social policy and cultural studies

Sentencing and Punishment Susan Easton,Christine Piper,2022-12-01 Examining the theory behind the headlines and engaging with current debates this new edition provides thoughtful impartial and unbiased coverage of sentencing and punishment in the UK Collectively Susan Easton and Christine Piper are highly experienced teachers and researchers in this field making them perfectly placed to deliver this lively account of a highly dynamic subject area The book takes a thorough and systematic approach to sentencing and punishment examining key topics from legal philosophical and practical perspectives Offering in depth and detailed coverage while remaining clear and succinct the authors deliver a balanced approach to the subject Chapter summaries discussion questions and case studies help students to engage with the subject apply their knowledge and reflect upon debates Fully reworked and restructured this fifth edition has been updated to include developments such as the Sentencing Act 2020 and changes following the 2019 general election This is the essential guide for anyone studying sentencing and punishment as part of a law or criminology course

Understanding Youth and Crime Sheila Brown,1998 Youth has been a focus of the sociologies of deviance popular culture and criminology The text reassesses the growing body of writing and research about crime and young people It provides a critical introduction to the study of youth crime and punishment of the social construction of youth crime and punishment an examination of developments in policy and practice since the 1970s and an assessment of new trends in research and theory It offers a critical treatment of the marginalization of young people as spectacular and deviant and calls for a criminology that listens to youth

Student Handbook of Criminal Justice and Criminology John Muncie,2013-02 It discusses crime and criminology in relation to the media race Islam gender and politics and considers all the relevant theoretical debates that dominate criminology Chapters on the police courts probation and prisons are included along with more theoretical chapters regarding crime prevention youth justice and restorative and informal justice The Handbook also includes comparative materials and international criminal courts

Youth Crime and Juvenile Justice: Children's rights and state responsibilities Barry Goldson,John Muncie,2009 This three volume set of original readings is designed to reveal how and why children and young people have been repeatedly the subject of adult concern censure and intervention It conceptualises notions of childhood youth and adolescence whilst also tracing the complex history of adult intervention and juvenile justice This collection is particularly timely not only because of persistent concerns over out of control youth but also because of an apparent hardening of adult reactions in many jurisdictions Youth justice

The Poetical Works ... With a Biographical and Critical Introduction by the Rev. Thomas Dale William Cowper,1872

Criminal Justice Anthea Hucklesby,Azrini Wahidin,2013-07-25 Criminal Justice provides a thorough introduction to the challenges faced by the UK s

criminal justice system A team of high profile contributors each present a concise overview of their particular field of expertise detailing key procedures challenging students to engage with current topical debates *The Moral System, with an Historical and Critical Introduction* Ezra Hall Gillett,1874 **Commentary on the Gospel of St. John.
