Edith Wharton and Genre Laura Rattray, 2020-08-11 Based on extensive new archival research Edith Wharton and Genre Beyond Fiction offers the first study of Wharton's full engagement with original writing in genres outside those with which she has been most closely identified So much more than an acclaimed novelist and short story writer Wharton is reconsidered in this book as a controversial playwright a gifted poet a trailblazing travel writer an innovative and subversive critic a hugely influential design writer and an author who overturned the conventions of autobiographical form Her versatility across genres did not represent brief sidesteps temporary diversions from what has long been read as her primary role as novelist Each was pursued fully and whole heartedly speaking to Wharton's very sense of herself as an artist and her connected vision of artistry and art The stories of these other Edith Whartons born through her extraordinary dexterity across a wide range of genres and their impact on our understanding of her career are the focus of this new study revealing a bolder more diverse subversive and radical writer than has long been supposed *Behind Closed Doors* Hugo Vickers, 2011-04-07 Hugo Vickers has an encyclopaedic knowledge of the Royal Family and has had a fascination with the story of the Duchess of Windsor since he was a young man There have been a number of books about this doomed couple but this book brings a new perspective on the story by focussing on the later years of exile While Vickers has his own theories about the Abdication itself and he makes it very clear that Mrs Simpson did not lure the King from the throne the drama of this narrative comes from the criminal exploitation of an old sick woman after the death of her husband She was ruthlessly exploited by a French lawyer called Suzanne Blum Some members of the Royal Family like Mountbatten and the Queen Mother don't emerge with much credit either Hugo Vickers relates a tragic story which has lost none of its resonance over the years since the Duchess died in 1986 *Reports from Commissioners* Great Britain.
