Your First Parakeet:

Parakeet Training Book Elden Paczkowski, 2021-08-09 If you've recently decided to become a pet bird parent a pair of parakeets might be the right choice. But before you make this decision you should become acquainted with the basics of parakeet care. This book will give you a fantastic way to learn new facts about these amazing birds by seeing the world through their eyes. The book delivers essential information to new parakeet owners through a heartwarming tale about a young parakeet named Prince as he plays and flocks, preens, bathes, sings, and bonds. It is a perfect book for children and youngsters who currently own or are planning on buying a parakeet. This book serves as a great introduction to the world of parakeets through their own eyes. We hope you enjoy it.

Your First Budgerigar J. E. Lohr, 1991 Designed specifically for use by beginners, this colorful book concentrates on providing just the right amount of information.

Parakeets And Budgies - Raising, Feeding, And Hand-Training Your Keet Lisa Shea, I have owned parakeets also called budgies or keets since I was a tiny toddler. I have photos of my pregnant mother's parakeet named Gandalf so she owned parakeets even before I was born. Sometimes I've had four parakeets, sometimes just one, but in one way or another parakeets manage to wiggle their fluffy ways into my heart. This book is a compilation of my years of experience, not only with my own parakeets but also with helping the tens of thousands of parakeet-loving visitors who come to my parakeet forum. Between the group of us, we've probably experienced everything there is that could happen to a keet, good or bad. There is information on choosing a parakeet, feeding a parakeet, and full step-by-step instructions on hand-training your parakeet. You can learn about parakeet activities, parakeet toys, and parakeet socialization. While the web is of course an awesome resource, often there are times that it's simply easier to read an organized sequential set of instructions on an e-reader. Also, it seems that web access goes down during emergency situations. Having an ebook version of those "what to do" instructions available on your e-reader has saved many a keet owner. Think of it as part of your emergency care kit for your beloved pet. If you have any questions, always feel free to email me. I'm happy to lend a hand with keets. Enjoy.

Parakeets For Dummies Nikki Moustaki, 2007-04-23 Create a home, tweet home for this colorful, lively bird. This plain English guide helps readers find the right parakeet and offers expert advice on feathering his nest, from setting up the cage and selecting foods to keeping messes at bay. Readers will discover how to groom a parakeet, recognize the symptoms of illness, and keep a parakeet safe from other pets. They will also see how to teach a parakeet to talk, understand parakeet behavior, and find an avian veterinarian.

Taming and Training Your First Budgerigar Risa Teitler, 1988 This book, illustrated with 136 full-color photos and drawings, presents sensible, easy-to-follow recommendations about selecting and caring for your first budgerigar or parakeet. It concentrates on providing readers with the information they need and want, all given in an interesting and easy-to-read style.
