Your Gift Of Life:

Gifts of Grace in Life Witness Lee,2025-09-03 In Romans 12 6 Paul says that we have gifts that differ according to the grace given to us What is grace And what are these gifts In this booklet taken from Life study of Romans Witness Lee answers these questions and discusses the relationship between the gifts in Romans 12 and the Body of Christ **Your Life's Puzzle** August Leo,2024-07-30 There are so many people who are suffering in silence When they re in public they put on a face as though everything is well When they are long they slip back into depression We need to learn to get along stop judging and learn to love one another That begins with the person you see in the mirror The most powerful thing in the world is the human mind People should take the words can t and impossible out of their vocabulary If those two words are in your vocabulary you will have a defeated mindset and you will fail before you get started If you have faith belief Come up with a plan and take action Anything is possible The power is in belief If you have the will anything is possible The purpose of the material in this book is to give the gift of hope I want to inspire you people and lift them up There are some people who are stressed out and depressed and have fallen into a dark place because of things they have experienced in life Some of them have given up and stopped looking for a way out If you are in a dark place in life darkness cannot drive out darkness It takes light to drive out darkness We are bombarded with negativity from news and social media all day long The materials in this book are meant to be a ray of light to drive out the darkness The short stories in this book are about real people who ve made mistakes You can t make all your mistakes but you can learn from someone else Another purpose of this book is to encourage people to use their inner pain and hurt as fuel to push themselves toward their dreams If you re not happy where you are in life it s up to you to change it You have to take responsibility for your life No one is going to do it for you No one is going to care for you more than you care for yourself Here is a list of some of the topics that will be discussed in this book learning disabilities depression loneliness suicide intuition solitude self love self hate self worth self esteem stress and much more
