Yugoslavia And The Nonaligned World:

Yugoslavia and the Nonaligned World Alvin Z. Rubinstein, 2015-03-08 Yugoslavia's importance to the evolution of nonalignment is emphasized as Alvin Z. Rubinstein examines the domestic and foreign determinants shaping Yugoslavia's turn to the new nations of Asia and Africa and its role in pioneering nonalignment. He discusses the policies of Yugoslav leaders in their search for security and international influence and traces the many ways in which Yugoslavia established close ties to the nonaligned nations to become the only European country prominent among the nonaligned. He analyzes the relationship between Tito and Nasser, Belgrade's role in the Moscow-Peking rift, the interaction between Yugoslavia and the nonaligned countries in the United Nations, and nonalignment's changing role in the international relations of the postwar era. Originally published in 1970, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Yugoslavia and the Nonaligned World Alvin Z. Rubinstein, 1970

Yugoslavia, Nonalignment and Cold War Globalism Zvonimir Stojić, Robert Niebuhr, David Pickus, 2024-10-28 This book explores the emergence of Yugoslav globalism and how it was influenced by the early Cold War, the changes once Yugoslavia established itself as a nonaligned leader, and what the decline of Yugoslav globalism reveals about the waning Cold War and the history of internationalist diplomacy. Although Yugoslavia was correctly defined as a regional power, it is not true that Tito's influence was confined to the Balkans alone. Even before the 1948 split with Stalin, political elites and intellectuals imagined socialist Yugoslavia as a model for international comity and development. Subsequently, due to dramatic changes in the climate of international diplomacy, Yugoslav globalist outreach found an audience and altered the course of early and fateful superpower stand-offs. In turn, such globalism was a significant part of Tito's stewardship of nonalignment. This is a story that has never been fully told. *Yugoslavia, Nonalignment, and Cold War Globalism* fills this gap in discussions of the emergence of globalist discourse in the post-1989 era. This volume is aimed at scholars and students of the Cold War and Tito's era in Yugoslavia, as well as general readers of history interested in leadership and the role of regional powers in world politics.

Kennedy, Johnson, and the Nonaligned World Robert B. Rakove, 2013 This book examines John F. Kennedy's policy of engaging states that had chosen to remain nonaligned in the Cold War.

Socialist Yugoslavia and the Non-Aligned Movement Paul Stubbs, 2023-01-15 After a summit in Belgrade in September 1961, socialist Yugoslavia, led by President Josip Broz Tito until his death in 1980, initiated a movement with states in the Global South. The Non-Aligned Movement not only offered an alternative to the Cold War polarization between NATO and the Warsaw Pact but also expressed the hopes of a world emerging from colonial domination. *Socialist Yugoslavia and the*

Non Aligned Movement investigates the Non Aligned Movement both as a top down interstate initiative and as a site for transnational exchange in science art and culture architecture education and industry Re invigorating older debates by consulting newly available sources the volume challenges studies that marginalize the role of socialist Yugoslavia in the Non Aligned Movement Contributors address topics such as women s involvement antifascism and anti imperialism cultural and educational exchange tensions in Yugoslav diplomacy competing understandings of economic development the role of the Yugoslav construction company Energoprojekt Yugoslav relations with Latin America and Africa and contemporary support for refugees and asylum seekers as a kind of practical and affective afterlife of Yugoslavia s non aligned commitments Socialist Yugoslavia and the Non Aligned Movement offers an innovative approach to one of the twentieth century s most important international movements and confronts issues of economic social and cultural rights that remain relevant today

Nonaligned World Order Attar Chand,1983 **Nonaligned Imagination** Nataša Kovacevic,2025-09-15 Recovering the literary and intellectual history of anticolonial collaborations Preoccupied with developing a multiethnic postcolonial culture and seeking an alternative to Cold War bloc politics socialist Yugoslavia turned to the decolonizing countries of the Global South It forged political economic and cultural links with postcolonial states and anticolonial liberation movements through the Non Aligned Movement of which it was a founding member in 1961 NAM spanned political and economic systems uniting members in opposition to superpower politics and around policies of nuclear disarmament active peaceful coexistence anticolonialism and respect for national sovereignty Nata a Kova evi reconstructs the forgotten literary and cultural history of this movement tracing the development of new networks of intellectual engagement and cultural exchange between writers journalists and scholars who connected postwar Yugoslavia with 1950s India 1960s Algeria and Guinea 1970s Vietnam and beyond Nonaligned narratives attempted to reconfigure the understanding of the globe outside Eurocentric tropes and hegemonic political stratifications and to articulate Yugoslavs own internationalist sensibility With Cold War era rhetoric intensifying again in the twenty first century Nonaligned Imagination assumes the urgent task of unearthing a history of engaged writing and cultural diplomacy that imagined alternatives to superpower conflicts and a bipolar vision of the world

Yugoslavia and Stalin's Successors, 1968-69 Dennison I. Rusinow,1971 **The Nonaligned Movement** Malabika Banerjee,1982 Yugoslavia Dennison I. Rusinow,1988-09-21 **Migration, New Nationalisms and Populism** Rada Ivekovic,2022-01-20 This book examines the antagonistic relationship between new European nationalisms as these often go hand in hand with populism and the phenomenon of migration Migration has become a significant issue both in Europe and the whole world Although it has always existed much of public opinion sees it now as a problem The latter has been exaggerated through a crisis in hospitality exacerbated by the relatively recently constructed and misplaced feeling of a civilisational threat from islam Migration is then countered by the escalation of new nationalisms at least some of which are supported by populism This book offers an understanding of this conjunction of migration and nationalism in the post cold

war European context More specifically the book takes up how the end of the simplified cold war cognitive binary means an unprecedented epistemological confusion and depoliticisation which takes migration as its target but could resort to other targets too Discussing the postcolonial background to the new migrations the book also considers womens rights postsocialism and the relevance of the current pandemic as the issue of migration is addressed in the context of the European crisis ridden present This wide ranging interrogation of how contemporary European migration is conceived and understood will appeal to students academics activists policy makers and others with interests in contemporary migration new nationalisms populism feminism colonial postcolonial and decolonial issues as well as socialism and postsocialism
