

A group of people is walking away from the camera on a dirt path that leads into a vast, arid desert landscape. The scene is captured during the "golden hour" of sunset, with a warm, golden light illuminating the sky and the ground. Long, dark shadows are cast across the path. The people are dressed in casual, outdoor-appropriate clothing. The background shows rolling hills and sparse desert vegetation under a sky with scattered clouds.

The Second Mile James Burks,2025-01-09 The journey to fulfill God's plan in your life is not always a smooth and easy
road In order to be like Christ we actually have to follow in His footsteps That includes challenges trials tribulations and
suffering That is the part most Christians want to avoid but it is what makes us closest to being like Him The Apostle Paul
wrote to the church in Philippi That I may know him and the power of his resurrection and the fellowship of his sufferings
being made conformable unto his death Philippians 3:10 The Second Mile Following God's Path to Greatness helps us
examine the narrow path that we must walk in order to bring glory to God and be a powerful witness for Christ to the world
