**White Mischief** James Fox, 2012-10-31 Just before 3am on January 24th 1941 when Britain was preoccupied with surviving the Blitz the body of Josslyn Hay Earl of Erroll was discovered lying on the floor of his Buick at a road intersection some miles outside Nairobi with a bullet in his head A leading figure in Kenya s colonial community the Earl had recently been appointed Military Secretary but he was primarily a seducer of other men s wives Sir Henry Delves Broughton whose wife was Erroll s current conquest had an obvious motive for the murder but no one was ever convicted and the question of who killed him became a classic mystery a scandal and cause celebre Among those who became fascinated with the Erroll case was Cyril Connolly who joined up with James Fox for a major investigation of the case in 1969 for the Sunday Times magazine After his death James Fox inherited the obsession and a commitment to continue in pursuit of the story both in England and Kenya in the late 1970s One day on a veranda overlooking the Indian Ocean Fox came across a piece of evidence that seemed to bring all the fragments and pieces together and convinced him that he saw a complete picture

*The Inheritors* Eve Fairbanks, 2022-07-19 A decade in the making *The Inheritors* tracks three ordinary South Africans over fifty years in a sweeping exquisitely written look at what really happens after a country resolves to end white supremacy Dipuo grew up on the south side of the mine dump that separated Johannesburg s Black townships from the white only city Some nights she hiked to the top On the other side were glittering lights as well as she knew prejudice and hubris on her side there was dust but also love To a South African teenager in the 1980s even an anti apartheid activist like Dipuo the divide appeared eternal But then in 1994 the world s last explicitly segregationist regime collapsed to make way for something unprecedented The end of apartheid carried South Africa past a point the United States and Europe are still moving slowly towards the ascent to political cultural and intellectual power of members of the demographic groups the countries once colonized or enslaved *The Inheritors* weaves together the stories of Dipuo her daughter Malaika and Christo one of the last White South Africans drafted to fight for apartheid as the system crumbled around him to consider what happens when people once locked into certain kinds of power relations find their status shifting

With intimate reporting keen psychological insight and luminous prose the book probes how everyday people grapple with great social change exploring questions that preoccupy not only South Africans but so many of us today How can we let go of our individual and national pasts How should old debts be paid How much sympathy do we owe one another And how does a person live an honorable life in a society that for both better and worse they no longer recognize **New York Magazine**, 1988-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **White mischief**, 2010 **New York Magazine**, 1988-05-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Annual Message of ...
