Applying Emotional Intelligence Joseph Ciarrochi,John D. Mayer,2013-12-16 The explosion of research on emotional intelligence EI in the past decade has provided increasing evidence that EI can be measured reliably and can be useful in predicting important outcomes such as managerial effectiveness and relationship quality Naturally people are now asking So how does one improve EI Applying Emotional Intelligence collects the most important programs focused on that idea and enquires of their originators What do you do Why do you do it and What is the evidence for your approach The emphasis of the book is applied in that it provides and contrasts

concrete examples of what we do in our interventions in a wide variety of situations The chapters present descriptions of programs including specific activities and exercises that influence emotional knowledge and social effectiveness more generally While practical in its focus this book also discusses the theoretical bases for these approaches These are new programs with outcomes that are now beginning to be studied The book presents the most important and recent research findings that examine the efficacy of these programs Applying Emotional Intelligence is a must read for anyone interested in EI and its application This book will be of interest to researchers conducting EI intervention research as well as a wide variety of practitioners including those interested in developing EI in organizations health areas clinical populations and school age settings Finally the book is designed to be relevant to the reader s own life encouraging the reader to consider how the programs and the exercises might impact his or her personality and outlook as well as contribute to the development of those who have themselves participated in the programs
