The Japanese American Story:

Japanese American History Brian Niiya, Japanese American National Museum (Los Angeles, Calif.), 1993 Produced under the auspices of the Japanese American National Museum in Los Angeles this comprehensive reference culls information from primary sources Japanese language texts and documents oral histories and other previously neglected or obscured materials to document the history and nature of the Japanese American experience as told by the people who lived it The volume is divided into three major sections a chronology with some 800 entries a 400 entry encyclopedia covering people events groups and cultural terms and an annotated bibliography of major works on Japanese Americans Includes about 80 bandw illustrations and photographs Annotation copyright by Book News Inc Portland OR

The Japanese American Story Budd Fukei, 1976 Surveys the experiences of Japanese immigrants to the United States and those of their descendants appraising their changing status during and since World War II and their contributions to American life and culture

The Japanese American Story S. Floyd Mori, 2014-11-04 The forced evacuation from their West Coast homes and incarceration in American concentration camps of 120 000 Japanese Americans and immigrants from Japan during World War II is a story that has not been well known This happened at a time when the Constitution did not protect innocent persons who had done no wrong but were imprisoned for no reason other than their ethnic heritage The majority were American citizens The evacuation and incarceration were found to have been caused by racial prejudice war hysteria and a lack of competent political leadership

The Japanese American Story S Floyd Mori, 2017-06 The forced evacuation from their West Coast homes and incarceration in American concentration camps of 120 000 Japanese Americans and immigrants from Japan during World War II is a story that has not been well known This happened at a time when the Constitution did not protect innocent persons who had done no wrong but were imprisoned for no reason other than their ethnic heritage The majority were American citizens The evacuation and incarceration were found to have been caused by racial prejudice war hysteria and a lack of competent political leadership

Japanese Americans Jonathan H. X. Lee, 2017-11-10 This book provides a comprehensive story of the complicated and rich story of the Japanese American experience from immigration to discrimination to adaptation achievement and contributions to the American mosaic Japanese Americans The History and Culture of a People highlights the enormous contributions of Japanese Americans in history civil rights politics economic development arts literature film popular culture sports and religious landscapes It not only provides context to important events in Japanese American history and in depth information about the lives and backgrounds of well known Japanese Americans but also captures the essence of everyday life for Japanese Americans as they have adjusted their identities established communities and interacted with other ethnic groups This innovative volume will become the standard resource for exploring why the Japanese came to the USA more than 130 years ago where they settled and what experiences played a role in forming the distinctive Japanese American identity

I Am an American Jerry Stanley, 1996 Now in an affordable

paperback edition here is Jerry Stanley's highly praised account of internment of Japanese Americans during World War II

Photos [The Japanese American Internment](#) Rachael Hanel, 2008 Describes the events surrounding the internment of Japanese Americans in relocation centers during World War II The reader's choices reveal the historical details from the perspective of Japanese internees and Caucasians

[And Justice for All](#) John Tateishi, 2012-02-01 At the outbreak of World War II more than 115 000 Japanese American civilians living on the West Coast of the United States were rounded up and sent to desolate relocation camps where most spent the duration of the war In this poignant and bitter yet inspiring oral history John Tateishi allows thirty Japanese Americans victims of this trauma to speak for themselves And Justice for All captures the personal feelings and experiences of the only group of American citizens ever to be confined in concentration camps in the United States In this new edition of the book which was originally published in 1984 an Afterword by the author brings up to date the lives of those he interviewed

Born in the USA Frank Chin, 2002-09-10 This unique oral history presents the Japanese American saga as told by those who lived through it Frank Chin details the lives of first and second generation Japanese Americans before World War II with a rich kaleidoscope of images drawn from interviews popular songs novels and newspaper articles The heart of his story is the tragedy that followed the bombing of Pearl Harbor when Japanese American citizens lost their homes and property and were forced into internment camps The author deftly weaves interviews and testimony from the Japanese American Citizen's League JACL with opposing in depth conversations with those who resisted the JACL's support for U S policy This shameful episode in American history resonates deeply today as we witness similar erosions of civil rights in the name of wartime security

[Japanese American Internment during World War II](#) Wendy Ng, 2001-12-30 The internment of thousands of Japanese Americans during World War II is one of the most shameful episodes in American history This history and reference guide will help students and other interested readers to understand the history of this action and its reinterpretation in recent years but it will also help readers to understand the Japanese American wartime experience through the words of those who were interned Why did the U S government take this extraordinary action How was the evacuation and resettlement handled How did Japanese Americans feel on being asked to leave their homes and live in what amounted to concentration camps How did they respond and did they resist What developments have taken place in the last twenty years that have reevaluated this wartime action A variety of materials is provided to assist readers in understanding the internment experience Six interpretive essays examine key aspects of the event and provide new interpretations based on the most recent scholarship Essays include A short narrative history of the Japanese in America before World War II The evacuation Life within barbed wire the assembly and relocation centers The question of loyalty Japanese Americans in the military and draft resisters Legal challenges to the evacuation and internment After the war resettlement and redress A chronology of events 26 biographical profiles of important figures the text of 10 key primary documents from Executive Order 9066 which authorized the internment camps to first person accounts of the

internment experience a glossary of terms and an annotative bibliography of recommended print sources and web sites provide ready reference value Every library should update its resources on World War II with this history and reference guide

Japanese American Journey Florence M. Hongo, Japanese American Curriculum Project, 1985-01-01 Traces the history of Japanese Americans discusses the prejudice and repressive measures directed against them during World War II looks at the lives of ten statesmen scientists and authors and includes three literary selections

They Work for Victory, 1945

Redress John Tateishi, 2020 This is the unlikely but true story of the Japanese American Citizens League's fight for an official government apology and compensation for the imprisonment of more than 100 000 Japanese Americans during World War II Author John Tateishi himself the leader of the JACL Redress Committee for many years is first to admit that the task was herculean in scale The campaign was seeking an unprecedented admission of wrongdoing from Congress It depended on a unified effort but began with an acutely divided community for many the shame of camp was so deep that they could not even speak of it money was a taboo subject the question of the value of liberty was insulting Besides internal discord the American public was largely unaware that there had been concentration camps on US soil and Tateishi knew that concessions from Congress would come only with mass education about the government's civil rights violations Beyond the backroom politicking and verbal fisticuffs that make this book a swashbuckling read Redress is the story of a community reckoning with what it means to be both culturally Japanese and American citizens how to restore honor and what duty it has to protect such harms from happening again This book has powerful implications as the idea of reparations shapes our national conversation

The Japanese Americans Tony Zurlo, 2003 Reviews the reasons why the Japanese immigrated to America the discrimination they experienced their internment during World War II the communities they formed and their contributions to American culture

The Japanese American Experience David J. O'Brien, 1991 Slim well researched and readable this is not only a social history of an ethnic community but a gateway into the ancient psyche of the Japanese The San Francisco Review of Books straightforward informative Contemporary Sociology The Japanese American Experience will be used with profit by professors and students in sociology and ethnic studies courses for it is the best general text on Japanese Americans currently in print The Journal of American History a succinct and insightful account of the community's early struggle for survival in a racist society American Historical Review This concise history of three generations of Japanese Americans focuses on their collective response to the challenges of discrimination and to the strikingly different historical circumstances each generation has faced

Uprooted Albert Marrin, 2016-10-25 A Publishers Weekly Best Book of the Year A Booklist Editor's Choice On the 75th anniversary of the bombing of Pearl Harbor comes a harrowing and enlightening look at the internment of Japanese Americans during World War II from National Book Award finalist Albert Marrin Just seventy five years ago the American government did something that most would consider unthinkable today it rounded up over 100 000 of its own citizens based on nothing more than their ancestry and suspicious of their loyalty kept them in concentration

camps for the better part of four years How could this have happened Uprooted takes a close look at the history of racism in America and carefully follows the treacherous path that led one of our nation s most beloved presidents to make this decision Meanwhile it also illuminates the history of Japan and its own struggles with racism and xenophobia which led to the bombing of Pearl Harbor ultimately tying the two countries together Today America is still filled with racial tension and personal liberty in wartime is as relevant a topic as ever Moving and impactful National Book Award finalist Albert Marrin s sobering exploration of this monumental injustice shines as bright a light on current events as it does on the past *And Justice for All* John Tateishi,1984 Recorded interviews with twenty five Japanese Americans who were among the 120 000 detained in relocation camps during World War II reveal the scope of suffering and injustice involved **A Lesson in American History** ,2004 Japanese Americans Paul R. Spickard,2009 Since 1855 nearly half a million Japanese immigrants have settled in the United States and today more than twice that number claim Japanese ancestry While these immigrants worked hard established networks and repeatedly distinguished themselves as entrepreneurs they also encountered harsh discrimination Nowhere was this more evident than on the West Coast during World War II when virtually the entire population of Japanese Americans was forced into internment camps solely on the basis of ethnicity **The Magazine of American History with Notes and Queries** John Austin Stevens,Benjamin Franklin DeCosta,Henry Phelps Johnston,Martha Joanna Lamb,Nathan Gillett Pond,1892
