## **The Japji:**

**The Japji** Nānak (Guru), 1918      The Japji of Guru Nanak Rupinder S. Brar, 2021-09-13 The Japji is by far the best known work of Guru Nanak 1469 1539 poet philosopher historian composer First Sikh Guru and founder of the Sikh faith Many Sikhs recite its sacred verses daily Its title derives from the root jap meaning to recite or chant Dr Rupinder Singh Brar provides in this book a compelling new translation with commentary This book also examines its core concepts and presents the Japji as a condensed summary of Guru Nanak s philosophy This translation and commentary is published to celebrate the 550th anniversary of Guru Nanak s birth 1469 2019      **Sri Japji Sahib** Guru Nanak, 2018-04-06 This is an English translation of Guru Nanak s famous Sri Japji Sahib which was originally written in Gurmukhi script This is rightly regarded as one of the world s great spiritual classics It is uplifting and universal in its message of love and devotion This particular edition is in full color with a beautifully illustrated design on each page Includes a brief introduction by Professor David Christopher Lane Ph D      Japji O.P. Ghai, 2003-12-01 The Japji is a profound religious text which Sikhs recite at the start of the day It is the opening text of the Guru Granth Sahib the holy scripture of the Sikhs Jap means meditation and this is what the text is meant for Written in simple English the book is not a mere translation O P Ghai s spiritual leaning has resulted in a book which helps readers to appreciate the beauty of the original      Japji Sahib Narendrapal Dhillon, 2015-05-31 All renderings attempting to explain the Divine path are quite difficult to comprehend The Japji Sahib of Guru Nanak Dev Ji which is such a work was rendered more than 500 years ago Languages are not static but dynamic and Punjabi language is no exception to this This fact has not helped in the matter but has rather made it more complex The book JAPJI Sahib A Complete Way of Life attempts to facilitate the understanding of Japji Sahib the daily Morning Prayer of Sikhs incorporated at the beginning of Shri Guru Granth Sahib the scripture of Sikhs which is to be viewed as a single continuous and compact message of Guru Nanak depicting unity of the directive principles of Sikhism There is a school of thought which explains Japji Sahib as expansion of the introductory Mool Mantra In this context Japji Sahib is also stated to be the essence of whole Guru Granth Sahib Conversely the whole Guru Granth Sahib is said to be the expansion of Japji Sahib The commentary in black print attempts to reflect this oneness of the principles of this most modern universal religion of the world Apart from the commentary this book also contains the translation of Japji Sahib in English All the available translations of Japji Sahib are narrative in nature and therefore make it impossible to relate them to each word of the original rendering in Gurmukhi script This effort has been made with the idea of setting right this imbalance The translation in coloured print is given in as many words as in the original rendering Owing to the limitation of the difference in the grammar of the two languages some words have been added in the translation to clarify the complete meaning These additional words are mentioned in brackets The commentary and the translation have been interspersed in such a manner that they complement each other for better comprehension by the reader For easier segregated reading the translation in blue print has been aligned right However

where there is a direct instruction to be followed by human beings the translation in bold print has been coloured red and has been center aligned Another aspect that may be mentioned is that Sikhism has certain concepts which if not unique are quite special to it Few such important concepts are Guru Baani Gurbaani Hukam Maaya Man Haumain Naam Shabad Sat Sach Waheguru and Simran Understanding these concepts in right perspective would be a pre requisite for anyone interested in gaining an in depth familiarization with this religion These concepts have also been explained in the book Some of the difficult words terms with super scribed numbering used in the book have been clarified in detail separately It can be said that Japji Sahib helps a person in understanding the very purpose of human life It also explains the specific acts to be performed in life and the manner in which they are to be performed for achieving the laid down objective of human life There can t be a more true and simple narration of why and how of the human life than the one detailed in Japji Sahib Sri Guru Nanak Dev Ji s rendering of Japji Sahib is a service to mankind to which it is difficult to find another equal Guru Nanak s message of Japji Sahib transcends all religions and seeks welfare of all beings It is a powerful tool provided to the human being for fulfillment of his destiny However the option remains with the individual as to whether he wants to know understand and pursue the desired path *Japji Sahib - English Translation and Transliteration* Almighty God,2014-06-21
