Richard Marvin

The Kennedy Curse:

The Kennedy Curse Edward Klein,2004-04-17 Death was merciful to Jacqueline Kennedy Onassis for it spared her a parent s worst nightmare the loss of a child But if Jackie had lived to see her son JFK Jr perish in a plane crash on his way to his cousin s wedding she would have been doubly horrified by the familiar pattern in the tragedy Once again on a day that should have been full of joy and celebration America s first family was struck by the Kennedy Curse In this probing expose renowned Kennedy biographer Edward Klein a bestselling author and journalist personally acquainted with many members of the Kennedy family unravels one of the great mysteries of our time and explains why the Kennedys have been subjected to such a mind boggling chain of calamities Drawing upon scores of interviews with people who have never spoken out before troves of private documents archives in Ireland and America and private conversations with Jackie Klein explores the underlying pattern that governs the Kennedy Curse The reader is treated to penetrating portraits of the Irish immigrant Patrick Kennedy Rose Kennedy s father Honey Fitz the dynasty s founding father Joe Kennedy and his ill fated daughter Kathleen President Kennedy accused rapist William Kennedy Smith and the star crossed lovers JFK Jr and Carolyn Bessette Each of the seven profiles demonstrates the basic premise of this book The Kennedy Curse is the result of the destructive collision between the Kennedy s fantasy of omnipotence an unremitting desire to get away with things that others cannot and the cold hard realities of life

The Kennedy Curse Les Williams,2016 The Kennedys rose from the slums of Boston to become one of the wealthiest and most powerful families in the United States but their journey had not been an easy one Of Joe Kennedy s nine children two were killed in plane crashes two were assassinated in public office one was institutionalised and one had his political career ruined by an accident that resulted in the death of a young campaign worker These and other tragedies have given rise to the legend of the Kennedy Curse but this book aims to show that there was no curse at all We look at each of these events in some detail and in context with one another and we see that they follow the simple rule of cause and effect Most of the tragedies that have befallen the Kennedy family were borne out of Joseph Kennedy s obsessive desire for wealth and political power He drove his children hard and many achieved great things but they made a lot of dangerous enemies along the way The Kennedys were raised to believe that they were better than anyone else and that the normal rules of life did not apply to them They were ruthlessly ambitious and would stop at nothing to get what they wanted and they pursued Joe Kennedy s dream with the passion of a crusade But there would be a heavy price to pay and old Joe could only look on as one after another of his precious children were either taken from him or ruined He witnessed almost all of these tragic events as they unfolded and as he saw the pain and misery the family had endured he must have wondered if it had all been worthwhile

The Kennedy Curse Edward Klein,2004 In this probing expose Edward Klein unravels one of the great mysteries of our time and explains why the Kennedys have been subjected to the chain of many calamities The Kennedy Curse is an attempt to to de mystify the family
