parents **With Literacy and Justice for All** Carole Edelsky,1991 This volume presents analyses of educational and research practices with the first part highlighting bilingual education and the second part focusing on whole language and progressive ways of evaluating students The book concludes by re iterating the socio political nature of literacy El-Hi Textbooks and Serials in Print ,2006 *In Defense of Good Teaching* Kenneth S. Goodman,1998 Is whole language the cause of the problems that beset our schools Is the debate between whole language and phonics a cover up for control of what and how students learn Is it appropriate that legislators lobbyists textbook publishers and private interest groups evaluate and promote research on teaching and learning Is Christian fundamentalism being exploited by political and economic groups Is the attack on whole language supported by research that is valid Is the issue of teaching reading now so polarized that even a balanced approach is no longer acceptable in some schools These questions have come out of the reading wars And teachers now must be articulate and knowledgeable defendants of their own positions in the debate if they are to retain control of their profession In *Defense of Good Teaching* is the whole language community s first concerted response to its attackers reveals some disturbing truths in the reading wars deliberate misrepresentation of ideas about the role of the press conflicting political agendas played out in our schools teachers and administrators marginalized for their beliefs and commercial interests dressed up as scientific research This is an alarming and enlightening book and as the dispute broadens to affect teaching of math and bilingual education it is an important book It will be invaluable to teachers who want the means and strategies to respond to criticism to analyze arguments and to defend their position More is at stake than whole language Journal of Speech-language Pathology and Audiology ,1997 *Daredevil research* Janice Jipson,Nicholas Paley,1997-03-01 Daredevil Research Re creating Analytic Practice gathers together ten research projects that seek to transform thinking about analytic practice and the construction of research knowledge By experimenting with alternative models of representation unconstrained by the weight of traditional research protocols the authors create multiple spaces for imagining how to differently identify issues for inquiry select modes of analysis and inscribe data into transmittable form At once a production of research knowledge and a conceptual field for meaning making Daredevil Research suggests the possibilities of analytic practice in imaginative independent space Enhancing Professional Practice Charlotte Danielson,1996 This framework identifies those aspects of a teacher s responsibilities that have been documented through empirical studies and theoretical research as promoting improved student learning *Reading Strategies and Practices* Robert J. Tierney,John E. Readence,2000 This book is a compendium of strategies it is not a description of a single approach nor is it intended to be eclectic The inclusion of a strategy should not be perceived as our endorsement of that strategy There are some strategies that we view as problematic there are others about which we disagree **Literacy Assessment** James David Cooper,Nancy D. Kiger,2005 This text presents literacy assessment as a natural part of the instructional cycle Through the text s practical positive approach to the stages of developmental literacy preservice teachers and reading specialists
