The Keeper Of The Trees:

The Keeper of the Trees Rodney Blanks,2003-01-01 The Keeper of the Trees is an epic tale that chronicles the adventures adversities and longings of three generations of Monarchs who ruled mythical Oxymora a primeval world doomed to cataclysmic destruction by collision with a passing star Facing the inevitability of apocalyptic demise humankind grapples with its search for purpose meaning and direction amid aimlessness chaos and despair It is only the prophecy of The Keeper of the Trees that lures each generation to strive for a higher purpose than the last As the saga unfolds each of the three central characters struggles to resolve the eternal conflict between reason and passion and in so doing each faces hardships misfortunes and calamities that exemplify humankind s duplicity Greed clouds judgment lust dominates reason and pride overshadows humility as they endure love and abandonment peace and war trust and betrayal In fulfilling the prophecy of The Keeper of the Trees the unexpected paradoxes of success through failure power through surrender victory through defeat and love through letting go illustrate that it matters not how a truth is discovered it is more valuable than knowledge or wisdom or goodness and that each moment of truth holds its own purpose and its own eternity Keepers of the Trees
