The Influence of Social Networking Sites on Information Service Delivery to Students at the Asom Bur Library of the University of Mkar Martins Tolough, 2023-07-03 Academic Paper in the subject Library Science Information Documentation Science language English abstract This study investigates the influence of social networking sites on information service delivery to students of Asom Bur library of university of Mkar Five objectives and five research question guided the study The descriptive survey research was adopted for the study A total of 958 registered users of Ason Bur learning resource center library of university of Mkar constituted the population of the study A sample size of one hundred and sixty 160 students were randomly selected from the entire population of the study using proportionate random sampling technique A self developed questionnaire was used to obtain information Data collected were analyzed using mean scored and standard deviation Finding revealed that high percentage 50% of the students mainly use social networking sites for social activities only 20% percentage of the population use social networking sites for education Findings further revealed that to benefit the rich potentials of social networking sites students should spend less time socializing on them and utilize them for more for school related activities and worthwhile events It was also recommended that the university management through the library should encourage the students in the use of other social networking sites like Skype LinkedIn MySpace Google Classroom and Zoom Meeting so that their knowledge will be widened students should include the use of Google Classroom to the list of social networking sites they explore to reap its benefits Though students use social networking sites frequently daily and weekly care must be taken to avoid them from using them when lectures are ongoing This will help to curb the extent to

which students are distracted during lecture periods The university library through the library should encourage other methods of service delivered to student such e books posting photos videos voice over protocol and others Also the University management through the library should ensure the provision of basic information needed by academic community faster and effective information service delivery independent and life long learning and provision of information necessary to improve quality of teaching

About the Impact of Technology upon Society Sanam Mukhtar,2013-01-14 Essay from the year 2013 in the subject Sociology Economy and Industry language English abstract Abstract Technology has improved the general living standards of many people in the last few decades Without technology people would still be living within their geographical confines of their societies Examples of technological advancements that have made life easier include things like the Internet phones tablets TV PS and movie and video games However these are just the positive attributes of technology there are also a number of negative effects that it has brought upon the society in general This research paper seeks to discuss these negative impacts of technology upon the society and the general way of living Arguably some of these technological advancements have increased stress levels and isolation within the society As it appears technology has had a rational impact on the meaning of social It has touched many different aspects of life including education communication transport war and even fashion Many in the society are worried about the rapid transformation in human attention

2020 Dictionary Dominic Knight,2020-11-17 From the bestselling author of Straypedia comes the definitive dictionary of the year the world went to sh t 2020 sucked It s been a year of bushfires floods a recession a global pandemic and Kanye West s presidential campaign But it was also the year we all watched Hamilton baked sourdough had dinner parties on Zoom and drank constantly okay so maybe that wasn t such a great thing either Amid the non stop trauma however it s been a year of togetherness and community spirit though mostly trauma But as we limp towards 2021 it s time to look back at it all and laugh Because at least we all suffered through this year together Not literally together that was generally illegal But we were side by side in our bubbles all going through the same thing The 2020 Dictionary is an invaluable record of all we learned in the year the world turned to sh t helpfully collected in alphabetical order with jokes where appropriate as well as in some places where they probably aren t What They Said About This Book The 2020 Dictionary will just disappear in the spring Donald Trump I take full responsibility for blaming the health minister for this book Daniel Andrews Stay six feet away from the book at all times Dr Anthony Fauci This tome feels rather sesquipedalian Boris Johnson This book is not allowed into Queensland unless it s playing footy Annastacia Palaszczuk I ve asked Angus Taylor to investigate burning this book as an energy source Scott Morrison These quotes are as real as hydroxychloroquine is effective against Covid

Mushroom News ,2024-07 *The Social Business Imperative* Clara Shih,2016-03-25 Social media is now the dominant online activity and drives more website traffic than online search The implications for businesses are as profound as the rise of Google 15 years ago Amidst the demands of running a business it can be alluring to fully delegate digital to the digital team But in today s wired environment

digital is actually everyone's job. Company leaders and professionals must seek to personally grasp the tectonic changes arising from the always connected customer and then rethink traditional business models, business practices, and even their own job responsibilities and careers accordingly. In *The Social Business Imperative*, Silicon Valley entrepreneur and renowned thought leader Clara Shih identifies powerful new opportunities created by social media across the entire customer lifecycle. As described in the book's foreword written by Starbucks Chairman and CEO Howard Schultz, this guide is a must read for all professionals. From boards of directors, CEOs, and Chief Marketing Officers to front line sales managers, recruiters, IT, and compliance directors, no role is untouched by the social, mobile, digital transformation. This book explains how to adapt and thrive in this brilliant new world order by understanding the transformation taking place not only in one's own department but across the customer journey. Only with this broader understanding can functional leaders collaborate on delivering a cohesive experience spanning previous organizational silos. Going far beyond her global bestseller *The Facebook Era*, Shih offers unprecedented insights into why and how traditional organizations must reimagine their existing business processes to capture the digital last mile across social, mobile, messaging apps, Internet of Everything, and the collaborative economy. Drawing on her immense experience helping Fortune 500 companies operationalize digital transformation to drive measurable uplift in sales and loyalty, Shih also presents powerful new case studies spanning multiple industries and companies from Wells Fargo to Warby Parker. A book worth reading, a voice worth listening to from a leader of real consequence. A clarion call on the promise and potential of social channels to transform business. Walter Robb, Co-CEO, Whole Foods Market. This is a must read for any business leader who wants to thrive in this time of disruptive change. Chip Bergh, President, CEO, Levi Strauss Co. Whether you're a global brand, small local business, or individual who wants to turn your passion into a livelihood, this book simply and clearly articulates how to channel the power of social media to delight audiences and grow your business. Marne Levine, COO of Instagram. Almost overnight, social media has transformed business and the way we, as companies, interact with our customers. In a way, social media has become part of everyone's job. Clara's book gets right to the heart of the matter and gets us thinking critically about what could be next on this roller coaster ride. Robin Hayes, President and CEO, JetBlue. The power of Clara's book is it highlights not only social media practices but fundamental business practices and how company leaders need to entirely rethink customer engagement models. The implications for every business, regardless of industry or geography, of today's social connected consumer cannot be overstated. This book provides a powerful vision and compelling call to action for company leaders everywhere. Ted Mathas, Chairman and CEO, New York Life.
