 Brickell, 1993 Crypto 92 took place on August 16-20, 1992 It was the twelfth in the series of annual cryptology conferences
 held on the beautiful campus of the University of California Santa Barbara Once again it was sponsored by the International
 Association for Cryptologic Research in cooperation with the IEEE Computer Society Technical Committee on Security and
 Privacy The conference ran smoothly due to the diligent efforts of the general chair Spyros Magliveras of the University of
 Nebraska One of the measures of the success of this series of conferences is represented by the ever increasing number of
 papers submitted This year there were 135 submissions to the conference which represents a new record Following the
 practice of recent program committees the papers received anonymous review The program committee accepted 38 papers
 for presentation In addition there were two invited presentations one by Miles Smid on the Digital Signature Standard and
 one by Mike Fellows on presenting the concepts of cryptology to elementary age students These proceedings contain these
 40 papers plus 3 papers that were presented at the Rump Session I would like to thank all of the authors of the submitted
 papers and all of the speakers who presented papers I would like to express my sincere appreciation to the work of the
