The American Credo is a satirical criticism of the American culture co authored with George Jean Nathan Mencken describes the weaknesses in the American system of views and beliefs criticizing the government literature and philosophy ideas religion Although the book was published about one hundred years ago it remains incredibly topical today since society didn't get rid of its flaws Excerpt Moreover this gradual and of late rapidly progressive decay of freedom goes almost without challenge the American has grown so accustomed to the denial of his constitutional rights and to the minute regulation of his conduct by swarms of spies letter openers informers and agents provocateurs that he no longer makes any serious protest
