The Incomparable Christ:

The Incomparable Christ John Stott, 2012-12-17 Jesus Christ has been the dominant figure in the history of Western culture for two millennia and his birth the pivot of our calendar He is the focus of Scripture and the heart of mission the message that countless Christians cross land and sea continents and cultures to deliver In masterly surveys John Stott looks at the New Testament witness at the way the church has portrayed Christ down through the centuries and at the influence Christ has had on individuals over the last two millennia Finally turning to the book of Revelation he asks what Jesus Christ should mean to us today Here is the fruit of a lifetime of biblical study rigorous Christian thought and devotion to the person of Jesus Christ

The Incomparable Christ John Oswald Sanders, 1975 *The Incomparable Christ* J. Oswald Sanders, 1982 Christ was human and Christ was divine The evidence of each is abundant and the necessity for both is obvious Had He not been man He could not have sympathized with us had He not been God He could not have saved us W Graham Scroggie Following Jesus from pre existence through earthly life to second advent J Oswald Sanders devotional study spotlights the teachings and events that reveal Christ s dynamic uniqueness

The Incomparable Christ Billy E. Simmons, 1980 Everyone has something to say about Jesus Sorting through the numerous books of recent years you may find yourself lost in a thicket of viewpoints some troubling to faith some puzzling to the intellect But John Stott one of the outstanding evangelical voices of the last half century offers in *The Incomparable Christ* an enriching vision of Jesus that defies measurement In this newly Americanized paperback edition Stott invites you to view Jesus from four perspectives The Original Jesus How the New Testament witnesses to Jesus in the Gospels Acts and the Letters The

Ecclesiastical Jesus How the church has presented Jesus historically from Justin Martyr Benedict and Anselm to Thomas Kempis Martin Luther and Thomas Jefferson to Gustavo Guitierrez N T Wright and the Edinburgh and Lausanne missionary confessions of the twentieth century The Influential Jesus How people from St Francis to Tolstoy from Gandhi to Roland Allen from Father Damien to William Wilberforce have taken inspiration from him The Eternal Jesus How he continually challenges today's men and women through ten visions from the book of Revelation This is the Jesus who is like no other worthy of your worship your confession and your obedience as you follow him into the future Publisher **The Incomparable Christ**, 196?

The Incomparable Jesus Don Cousins, Judson Poling, 1992-08 No one has been like Jesus in all of history from his miraculous birth and unparalleled teachings to his resurrection and ascension into heaven This guide offers readers a deeper knowledge of the matchless King **The Incomparable Jesus** Antonio (Peinha) Ferreira Santos, 2026-01-23 Why I Wrote About the Incomparable Jesus In the last twenty years two books have fallen into my hands and have never left me The first The Incomparable The first book The Incomparable Christ by John Stott came to me when at the age of forty eight I was rehearsing what a ministerial life might become The second The Incomparable Christ by Oswald Sanders I found in a second hand bookstore when at fifty I was facing my first major crisis of faith These works were not merely readings They were encounters Stott with his brilliant mind and pastoral heart showed me Jesus in all His biblical and historical greatness Sanders with his spiritual depth and missionary passion led me to the foot of the cross until I felt its weight and glory But something curious happened as I read them I missed something Not what they wrote what they wrote was magnificent I missed the Jesus they pointed to yet who was sometimes slightly hidden behind so much erudition in Stott or spiritual intensity in Sanders I a simple early ministry servant dealing with real people drivers retirees overworked housewives confused young adults needed something that preserved the depth of these masters but carried the simplicity of a kitchen table conversation One day after trying to explain kenosis the self emptying of Christ in Philippians 2 to a group of elderly ladies one of them Dona Maria seventy two said Pastor you're speaking Greek I just want to know Does Jesus understand me when I cry at night That honest question became my moment of obedience A double obedience First to the truth Stott and Sanders defended Jesus is truly incomparable in His person His work and His meaning Second to the real people God placed in my path people who need this incomparable yet uncomplicated Jesus The Seeds Planted by Stott and Sanders John Stott taught me that Jesus must be studied with intellectual integrity In The Incomparable Christ he walks through Scripture history and theology showing how Christ is unique in every dimension But at the end of my first reading I thought My faithful brothers and sisters fruit sellers fishermen farmers will never be able to follow this theological flight Oswald Sanders taught me that Jesus must be experienced with spiritual intensity In The Incomparable Christ he made me cry pray and break But as I closed the book I thought My housewives between pots and pans and children will feel that this spirituality is too far from their reality Then I understood my calling not to surpass Stott or Sanders impossible but to descend the mountain where they

stood and bring the treasure down to the valley where I and God's people lived Like the disciples on the Mount of Transfiguration Peter wanted to build tents and stay there just as we theologians want to remain on the heights of scholarship But Jesus led them back to the valley to the demon possessed boy to the needy crowd Matthew 17:14-21 My Journey of Obedience This obedience took shape slowly At fifty I tried to write a simplified Stott I failed I merely reduced I did not transform At fifty five I tried an applied Sanders I failed again I added modern illustrations but the spiritual distance remained At sixty five I stopped trying to imitate them And I finally did what I should have done from the beginning I sat at the feet of Jesus with my own questions and with the questions of the people around me

The Incomparable Jesus Grant Palmer, 2005-01-01 Distilled from his personal experiences in teaching Jesus to the hard to reach this professional educator has produced a tender testament to the incomparable Jesus It describes a Savior who walked with him through the halls of the county jail where he served as chaplain succoring those in need In this slim volume Palmer sensitively shares his understanding of what it means to know Jesus by doing his works He lists the qualities of divine character attested to by the Apostles Peter and Paul and also those that Jesus revealed about himself in his masterful Sermon on the Mount particularly in the beatitudes With reverence Palmer shares personal spiritual experiences that were life changing assurances of Jesus's love for him a love poured out unstintingly in equally life changing blessings on prisoners whose crimes had not stopped short of sexual abuse and murder Reading this book offers a deeper understanding of the Savior's mercy a stronger sense of his love and a deeper commitment to follow him
