**Workshop Statistics:** Allan J. Rossman,Beth L. Chance,2013-12-01 Shorn of all subtlety and led naked out of the protective fold of educational research literature there comes a sheepish little fact lectures don't work nearly as well as many of us would like to think George Cobb 1992 This book contains activities that guide students to discover statistical concepts explore statistical principles and apply statistical techniques Students work toward these goals through the analysis of genuine data and through interaction with one another with their instructor and with technology Providing a one semester introduction to fundamental ideas of statistics for college and advanced high school students Workshop Statistics is designed for courses that employ an interactive learning environment by replacing lectures with hands on activities The text contains enough expository material to stand alone but it can also be used to supplement a more traditional textbook Some distinguishing features of Workshop Statistics are its emphases on active learning conceptual understanding genuine data and the use of technology The following sections of this preface elaborate on each of these aspects and also describe the unusual organizational structure of this text [Digital Libraries](#) N. Zuck,2012-05-11 Though numerous volumes have been written on human observations about children very few volumes present God's perspective on

them as recorded in the Bible Precious in His Sight fills the gap admirably Not only is this volume unique it is also comprehensive The author covers all of the children in the Bible intensively studying the biblical text as well as incorporating insights from the best historical works on childhood and child rearing in ancient times The author s sensitivity to the cultural and sociological factors impinging on families in biblical times is everywhere apparent In order to appreciate what the book of Proverbs says about children for example one must understand how children were treated and viewed in other cultures during Old Testament times Everything the Bible says about children applies to contemporary childhood according to the author He finds biblical examples and abundant implications for children s physical emotional social and spiritual development The principles that can be garnered from this incisive work will help educators and parents in the teaching and training of children today

**Jewish Issues in Multiculturalism** Peter F. Langman,1999-08 While people are learning about the identities and accomplishments of various racial and ethnic minorities Jewish identity and accomplishments are ignored Programs educate and sensitize people to racism sexism and homophobia but antisemitism is overlooked The purpose of this book is to get Jews and Jewish issues included within the multicultural curriculum The author begins by presenting information about Judaism and Jewish cultures The racial ethnic and religious differences among Jews are presented in order to inform readers about the extent of diversity within the Jewish community Judaism as a religion is presented in terms of its basic values and the impact that these values and the practices that follow

from them have had on Western civilization This material is important because it dispels misconceptions that many people have regarding Judaism Also because multicultural writers typically ignore the vast impact of Jews and Jewish culture on the origin and development of psychotherapy a chapter is devoted to documenting the role that Jews have played in the evolution of the profession Langman then focuses on antisemitism Many people have no knowledge of historical antisemitism and think that the Holocaust was the only oppression that Jews have suffered This section first documents antisemitic beliefs laws and violence throughout the last two thousand years Next several contemporary antisemitic beliefs are discussed Then the psychological peculiarities of antisemitism are reviewed Finally the causes of both individual and collective antisemitism are presented An important section of this book concerns itself with relationships between Christians and Jews and Blacks and Jews The chapter on Christians and Jews reviews recent developments in Christian views of Jesus and Judaism and addresses common Christian misconceptions about Judaism The chapter on Blacks and Jews examines racism among Jews and antisemitism among Blacks A variety of explanations of antisemitism in the *Preparing for the Urban Future* Michael A.
