Why The Church:

Why the Church? Luigi Giussani,2001-03-02 Giussani begins by focusing on the Church as a community composed of people who are aware of themselves as defined by the gift of the Spirit from which they derive a new conception of existence the fruit of conversion He then describes the Church s developing self awareness of its dual elements of the human and divine Concerned with verifying the Church s claim to embody Christ Giussani situates the locus of verification in human experience arguing that a different type of life is born in those who try to live the life of the Church Why the Church is a seminal study that will engage both the scholar and the general reader

Why the Church? Luigi Giussani,2001 Giussani professor emeritus U Cattolica del Sacro Cuore Milan is a founder of the Catholic lay movement Communion and Liberation In this work originally published in Italian as Perche la chiesa he discusses issues of faith in an age of rationalism the mystery of the communion of believers He explores the Catholic Church s definition of itself as both human and divine and argues that a different type of existence is born in those who try to live the life of the Church c Book News Inc

Why The Church Needs the Prophet's Ministry Avian L. Christian,2011 The church today is in great need of the prophet s ministry And yet there exist much ignorance and misunderstanding of this important and vital ministry This is partly due to the lack of teaching on the subject of the prophetic ministry the lack of depth in the understanding of spiritual matters concerning the church fear distrust between leaders pride jealousy and disobedience to the Spirit of God and the will and plan of God for end time ministry All of these things and such like are to be blamed for the ignorance and misunderstanding that currently exist concerning the prophet s ministry As the church draws nearer to the end of the church age prophets prophetess and prophetic ministries will become more necessary and in increasing demand The purpose of this book is to show biblical evidence for the ministry of the modern day prophet prophetess and to show they still exist within the New Testament Church The purpose is also to establish knowledge of the workings of the need of and the importance of the modern day prophetic ministry Without the ministry of the prophet prophetess the body of Christ would indeed be incomplete Why The Church Needs The Prophet s Ministry is an excellent guide for opening the doors of awareness to the prophet s ministry and for the bringing about of understanding that can lead to cooperation between the five fold ministry as well as the entire body of Christian workers adding to the completion of the end time work of the ministry

Why the Church of the Nazarene Should be Fully LGBTQ+ Affirming Thomas Jay Oord,Alexa Oord,2023-05-01 This book fundamentally changes the game for the Church of the Nazarene A growing number of people are calling for fresh conversations about sexuality and gender And many want fundamental change This book gives voice to those people There are strong reasons the Church of the Nazarene should become fully LGBTQ affirming The writers of these essays whether queer or straight lay out those reasons share their experiences and explain why change is needed Love rests at the heart of the denomination s view of God And yet its statement about human sexuality does not support the ways of love At least in America the Church of the Nazarene is rapidly

shrinking Many people are leaving the denomination because of its views on LGBTQ matters According to research in fact the holiness movement is the worst at keeping young people This book offers hope Hearing the voices of queer people allies and scholars is a crucial step toward transformation For love to win in the Church of the Nazarene change is needed

ENDORSEMENTS We Nazarenes have a peculiar origin story The pioneers of our movement didn't agree Even where some of the most important tenets of faith are concerned our founders couldn't and didn't agree But they prioritized being and staying together in the hopes that what united them would be stronger than what would divide them In that same spirit of hopeful inclusiveness these writers dream of a tent large enough to house our differences May we learn again the power of dignity inclusion diversity breadth and love Jon Middendorf Senior Pastor at Oklahoma City First Church of the Nazarene These essays are the start of a much needed conversation for the church and LGBTQIA community At times they are not easy to read you may agree with some things and not with others But the generations coming behind us some as authors in this book need us to hear and engage with their hearts Read them let their emotion soak in And then start talking about it Bruce Barnard Elder in the Church of the Nazarene

ABOUT THE EDITORS Thomas Jay Oord is a theologian philosopher and scholar of multi disciplinary studies Oord has been an ordained elder in the Church of the Nazarene for more than 30 years taught at two Nazarene institutions of higher education and published many books through the denomination's publishing house A best selling author Oord currently directs doctoral students at Northwind Theological Seminary Website thomasjaylor.com Alexa MacKenzie Oord is a graduate of Harvard University and Simmons University Oord currently serves as an Administrative Assistant in Undergraduate Student Life at Columbia University in New York She also works as Senior Editor at SacraSage Press Website sacrasagepress.com

The Misunderstanding of the Church Emil Brunner, 2025-06-26 What is the Church questions Emil Brunner in his preface Within Protestantism it has never been clear how the Church in the sense of spiritual life and faith is related to the institutions conventionally called churches In contrast Brunner believes The Roman Catholic Church has a subtly different problem it has no response to the question of how the phenomenon visible in the New Testament as the Ecclesia is to be related to the papal Church In *The Misunderstanding of the Church* Brunner finds an answer to the ambiguous and nebulous nature of Church and churches interrogating its disharmony by using the conclusions of New Testament research to contextualise the problem of the Church when confronted With its contribution to the
