Whompyjawed A Novel:

Whompyjawed Mitch Cullin,2007-06-01 Rain Taxi Review of Books ,2000 **OK2BG** Jack Dunsmoor,2015 OK2BG is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author s attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder *Tideland* Mitch Cullin,2006-01-31 A look at the world through the eyes of a wildly imaginative young girl in contemporary Texas **Fly Way** ,2000 **Cabinet** ,2002 *The Believer* ,2003 *Flyway* ,2000 From the Place in the Valley Deep in the Forest Mitch Cullin,2001-12-03 The stories and characters in this diverse collection of stories from the acclaimed novelist Mitch Cullin provide a fascinating gloss on events that have taken place in the second half of the 20th century They begin at a remote Japanese beach house and end on an unnamed Alaskan island These are stories about isolation remembrances of past experiences and the sometimes inaccurate nature of memory Cullin s stories examine individuals who have survived momentous often horrific social upheavals where relationships and common day to day life are suddenly shaken by unforeseen circumstances From the Place in the Valley Deep in the Forest is a collection that deftly suggests we are all emigrants from personal histories we recall only fleetingly moments which draw us back but as we imagine them seem increasingly difficult to grasp These polished and graceful stories are further evidence of the kind of work that makes Cullin one of our best young writers If something of the experimentalist shows in Cullin s novels his stories are old fashioned in the best sense reporting slices of life as the characters experience them in a language that is economical yet richly evocative because of its precision Booklist **The Publishers Weekly** ,2005 **Dictionary of Literary Biography Yearbook, 2000** Matthew J. Bruccoli,2001-04 Updates entries already published and supplements the Dictionary of Literary Biography series with entries on newly prominent writers *M2M* Karl Woelz,2003 Anthology of literary fiction by gay men *Undersurface* Mitch Cullin,2002 From acclaimed author Mitch Cullin whose previous books have been described by The New York Times as brilliant and beautiful rhythmic and telling comes Undersurface a chilling page turner that recalls Alfred Hitchcock and novelist Kobo Abe at his most existential Probing the complex relationship between outward appearances and inward states of profound want it is a story that at turns is intriguing and sordid poetic and allusive told in a compact yet intense manner offering a distinctive take on a society far more complicated than what Americans often gather from their

televisions and newspaper headlines Based roughly on real events this fictional account follows its oblique protagonist as he moves through the loitering subculture found within public toilets and pornographic arcades and in the process finds himself losing everything he values including his own grip on reality A mystery of both memory and mistaken identity *Undersurface* is a starkly written haunting novel about double lives compulsion and human sexuality where secret desires lead to devastating circumstances As the carefully crafted plot twists in ever suspenseful directions we are drawn toward a startling possibly unavoidable conclusion one which resonates long after the book has been set aside **American Book Publishing Record** ,1999 *The Library Journal* ,1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately What Do I Read Next?
