International Parental Child Abduction and the Law Geraldine Carney, 2024-06-13 Japan has faced widespread scrutiny for failing to properly address international parental child abduction involving its citizens This book examines how and why Japan has come to have this tarnished image its response and how it might manage these disputes in the future In particular the book explores how Japan engages with international legal frameworks to manage international parental child abduction and what this means in reality for Japanese people and others who come under its wide umbrella A focus of this examination is how the key international treaty the Hague Convention of 25 October 1980 on the Civil Aspects of International Child Abduction has fared since being introduced in Japan in 2014 Case studies of parental child abduction involving Japan are

used throughout to illustrate the legal and social concepts discussed in the book The struggles of both abducting and left behind parents across fluid international borders reveal seismic social and philosophical shifts in Japan that continue to shape its legal landscape This book will be a useful resource for students of Japanese Studies Sociolegal Studies Comparative Law and International Law *The Trouble with Snack Time* Jennifer Patino,2020-08-18 Uncovers the class and race dimensions of the cupcake wars In the wake of school lunch reform debates heated classroom cupcake wars and concerns over childhood obesity the diet of American children has become a crisis and the cause of much anxiety among parents Many food conscious parents are well educated progressive and white and while they may explicitly value race and class diversity they also worry about less educated or less well off parents offering their children food that is unhealthy Jennifer Patino embedded herself in an urban Atlanta charter school community spending time at school events after school meetings school lunchrooms and private homes Drawing on interviews and ethnographic observation she details the dilemma for parents stuck between a commitment to social inclusion and a desire for control of their children s eating Ultimately Patino argues that the attitudes of middle class parents toward food reflect an underlying neoliberal capitalist ethic in which their need to cultivate proper food consumption for their children can actually work to reinforce class privilege and exclusion Listening closely to adults and children s food concerns *The Trouble with Snack Time* explores those unintended effects and suggests how the crisis of children s food might be reimaged toward different ends *Parenting Across Cultures from Childhood to Adolescence* Jennifer E. Lansford,W. Andrew Rothenberg,Marc H. Bornstein,2021-02-25 This vital volume advances understanding of how parenting from childhood to adolescence changes or remains the same in a variety of sociodemographic psychological and cultural contexts providing a truly global understanding of parenting across cultures Through the Parenting Across Cultures project the editors unveil findings from this hugely important comparative longitudinal study of parents and children in China Colombia Italy Jordan Kenya the Philippines Sweden Thailand and the United States The volume offers insight into trajectories of parenting exploring parents warmth control rules setting and knowledge of children s activities and whereabouts Each chapter is authored by a contributor native to the country examined guaranteeing an authentic emic perspective and together the chapters provide a broader sample that is more generalizable to a wider range of the world s population than is typical in most parenting research *Parenting Across Cultures From Childhood to Adolescence* is essential reading for researchers and students of parenting psychology human development family studies sociology and cultural anthropology as well as professionals working with families **Beating the Adoption Odds** Cynthia D. Martin,Dru Martin Groves,1998 Comprehensive authoritative and proactive *Beating the Adoption Odds* is the indispensable manual for both those considering adoption and those working in the adoption field *Resources in Education* ,1997 **The Publishers Weekly** ,2004 **Forthcoming Books** Rose Arny,2002-02 **Family and Parenting Support** ,2015 Families parents and caregivers play a central role in child well being and development They offer
