Stephen Kelly

The Conservative:

The Conservative Julius Sterling Morton, 1900 A journal devoted to the discussion of political economic and sociological questions The Conservative Party and Social Policy Bochel, Hugh, Hugh M. Bochel, 2011-03-23 A timely consideration of the development and content of the Conservatives approaches to social policy and how they inform the Coalition's policies

The Conservative Party and the Trade Unions Peter Dorey, 2006-04-07 Peter Dorey examines the attitudes and policies of the Conservative Party towards the trade unions from the nineteenth century onwards He links these to wider political and economic circumstances and studies the key personalities involved There has always been disagreement within the Conservative Party as to how it should deal with the trade unions These disagreements have in large part reflected divisions within British Conservatism itself *The Conservative Party and British Politics 1902 - 1951* Stuart Ball, 2014-01-14 The history of the Conservative Party during the first half of the twentieth century was marked by crisis and controversy from Joseph Chamberlain's tariff reform campaign through the Lloyd George coalition and the National Government between the wars to the defeat of 1945 and the post war recovery This study provides a lucid account of this turbulent and formative period in the history of the most durable and adaptive force in modern British politics **The Conservative Government**

and the End of Empire 1957-1964: High policy, political and constitutional change Ronald Hyam, William Roger Louis, 2000 This volume represents the first in depth treatment of end of empire during its climactic phase and from it will emerge a closer understanding of the dynamics involved in decolonisation **The Longman Companion to the**

Conservative Party Nick Crowson, 2016-09-17 This Longman Companion provides a wide ranging compendium of essential facts and figures on the Conservative Party from its origins in the 1830s to the dawn of the 21st Century Central to the book are the detailed chronologies on the Conservative Party's years in government and opposition In addition it contains fascinating information on the Party's relationships with women ethnic minorities the trade unions Europe Ireland ideology social reform and empire **Margaret Thatcher, the Conservative Party and the Northern Ireland Conflict,**

1975-1990 Stephen Kelly, 2021-01-14 Winner of the 2022 CHOICE Outstanding Academic Titles The first woman elected to lead a major Western power and the longest serving British prime minister for 150 years Margaret Thatcher is arguably one of the most dominant and divisive forces in 20th century British politics Yet there has been no overarching exploration of the development of Thatcher's views towards Northern Ireland from her appointment as Conservative Party leader in 1975 until her forced retirement in 1990 In this original and much needed study Stephen Kelly rectifies this From Thatcher's no surrender attitude to the Republican hunger strikes to her nurturing role in the early stages of the Northern Ireland peace process Kelly traces the evolutionary and sometimes contradictory nature of Thatcher's approach to Northern Ireland In doing so this book reflects afresh on the political relationship between Britain and Ireland in the late 20th century An engaging and nuanced analysis of previously neglected archival and reported sources Margaret Thatcher the Conservative

Party and the Northern Ireland Conflict 1975-1990 is a vital resource for those interested in Thatcherism Anglo Irish relations and 20th century British political history more broadly The Cambridge Review, 1884 "The" Westminster Review, 1897 *The Conservative Nation (Routledge Revivals)* Andrew Gamble, 2014-06-27 Since the 1880s the Conservative Party has been an important political force in Britain In this study of Conservative ideology since the end of Second World War first published in 1974 Andrew Gamble considers the nature of Conservative party opinion and the factors that have accounted for its success The adaptation of the party post 1945 is discussed as well as the ascendancy of the Right progressives in the leadership and the challenge of the Whigs and Imperialists Finally the book includes a discussion of the fluctuations within the Conservative Government between 1970 and 1974 with an account of what Gamble believes to have been ultimately a failure A rigorous and comprehensive analysis of Conservative thought and policy this study will be of particular value to those with an interest in the history of British Conservative politics and government **The National Review**, 1885 *The Conservative Party After Brexit* Tim Bale, 2023-03-13 The Conservative Party has long laid claim to being the world's most successful political party not least because it is also one of the most adaptable often appearing to do and say pretty much whatever it takes to win But has it now shot itself in the foot by trying too hard to fight off Nigel Farage Since the UK voted to leave the EU back in 2016 the Tories have arguably done more than simply re-shape themselves rather they seem to have transformed themselves from a mainstream centre right party into an ersatz radical right wing populist outfit one characterized by an often counter intuitive combination of culture war concerns on the one hand and free market fundamentalism on the other In this compelling and persuasively argued book Tim Bale one of the country's foremost experts on contemporary British politics takes us on a rollercoaster ride through the Conservatives' fortunes over the last decade From the bombshell Brexit referendum through the chaotic premierships of Theresa May Boris Johnson and Liz Truss to the party's electoral comeuppance under Rishi Sunak and its attempted renewal with Kemi Badenoch at the helm Bale tells the fascinating tale of a party that in just a few short years has gone from nervous breakdown to top of the world and back again *The Liberal platform. Historic facts and current problems: a book of reference for platform speakers [&c.] to imperial, British, and Scottish subjects of the day [publ. by the Liberal publication department and the Scottish Liberal association. Ed. by W.K. Rose and R.M. Smith].* Liberal publication dept, 1895 *Hansard's Parliamentary Debates* Great Britain. Parliament, 1891 **House documents**, 1874 **The Saturday Review of Politics, Literature, Science and Art**, 1866 The Medical Chronicle, 1898 The Canadian Magazine of Politics, Science, Art and Literature, 1900 *Works of Ralph Waldo Emerson* Ralph Waldo Emerson, 1889 **The Right Hon.
