In a forgotten village by a quiet lake a young woman named Clara steps into an abandoned house that everyone else has learned to fear Inside the silence breathes The walls hum with distant voices the mirrors shimmer with memory and the air itself seems to listen What begins as a search for truth becomes a journey through layers of sound and stillness where the borders between the living and the world that holds them begin to dissolve As Clara follows the echoes that call her name she discovers that the house is not haunted in the way people believe It is alive a vessel for something older and gentler than ghosts a rhythm that connects every heartbeat every drop of water every quiet thing that has ever learned to endure From the lake's reflection to the whisper of trees the world speaks in a language she must learn to hear before it fades completely *The Whispering House* is a novel about the sound beneath silence about grief that turns to grace and about the thin line between fear and wonder It moves with the pace of breath unfolding like a dream remembered in fragments where every whisper is both question and answer In the end Clara must decide whether to leave the house behind or to become part of the world that has been calling her all along *The Whispering House* Marci Baun, 2016-05-14 Eleanor Radcliffe longs to bury the pain of her mother's death She seeks solace in a cozy house outside of Fresno to heal But her new home hides a secret A secret that could claim her life When strange frightening things start to happen she turns to her mysterious neighbor Michael Stevens and the handsome sheriff Rodney Tyler for help As the incidents grow more bizarre and violent she is forced to flee Long suppressed powers resurface When she accidentally travels the ley lines her world is turned upside down With her life spinning out of control Eleanor will have to face her deepest fears and learn to use her powers if she's going to survive This urban fantasy novel races across time and space mixing horror urban fantasy soft science fiction with multidimensional travel and a hot love story *The Whispering House* Margaret Erskine, 1967 **The House of the Whispering Pines** Anna Katharine Green, 1910 **The Whispering House** Rebecca Wade, 2012-05-22 Maisie Holt This is her book It's an old house one her family plans to stay in for only a short while but for Hannah Price secrets soon come
