working problem solving      *Investigations in Algebra* Albert Cuoco,1990 *Investigations in Algebra* departs from a preoccupation with calculus as the ultimate goal of and the universal introduction to advanced mathematics by using Logo to explore combinatorics number theory the study of discrete functions and other topics that are not on the traditional path to calculus This approach encourages students to participate actively in exciting mathematics developing in them a facility for abstraction and an appreciation for the power of mathematical methods Most of the projects in the first two parts of the book have been worked through by students at Woburn High School often without assistance from a teacher In three parts *Investigations in Algebra* emphasizes the treatment of functions as concrete objects modeled as Logo procedures applies the techniques of induction and recursion to combinatorial problems and takes up topics in number theory including unique factorization congruence and multiplicative functions Integral to the presentation are numerous carefully constructed problems routine exercises long term projects and open ended experiments developed in twenty years of classroom use *Investigations in Algebra* is included in the series *Exploring with Logo* edited by E Paul Goldenberg      *Expert Systems and Related Topics* Marlene A. Palmer,1990-01-01 This comprehensive reference to all areas of expert systems and applications plus advanced related topics lets you spend your time reading expert systems literature rather than searching for it It gives you a source of historical perspectives and outlooks on the future of the field Whether you are a manager a developer or an end user or researcher *Expert Systems and Related Topics Selected Bibliography Guide to Information Sources* puts all the sources of expert systems literature at your fingertips      **Logo Exchange** ,1988      **Design Issues** ,1989      Journal for Research in Mathematics Education ,1992      **The Publishers' Trade List Annual** ,1995      **American Graphic Design** Ellen M.
