The Stenographer ,1892 **The Stone-Campbell Movement** Leroy Garrett,2002 "*In Essentials Unity, in Non-essentials Liberty, in All Things Charity*" E. D. Cree,1866* The Conversation Matters, Second Edition Henry H. Knight,Don E. Saliers,2025-11-20 How can Christians talk with one another about things that matter How can we make an argument without having an argument This book offers a way forward Drawing on John Wesley as well as contemporary thinkers Knight and Saliers show how doctrines those things we teach and believe directly shape Christian life and faith and should be the subjects of regular conversation in our churches and denominational assemblies They also show that how we talk about the things we believe including issues of controversy is itself a witness to the gospel we profess Their model for doing this is a recovery of the Wesleyan practice of Christian conferencing In this second edition the authors provide two new chapters that provide additional insights for this time of intense polarization in America They call us to remember who we are as followers of Jesus Christ *Hijacked* Charles E. Gutenson,Rev. Dr. Mike Slaughter,2012-02-01 Rescue your church from the infiltration of partisan politics Especially in this election season the political discourse within our country grows more rancorous and increasingly uncivil During the last several decades there has been a growing tendency to conflate one s theological commitments with one s political ideology As a consequence partisan politics has infiltrated our churches and political commitments are creating unnecessary divisions Perhaps of most concern these trends generally tend to obscure the properly holistic nature of the Gospel of Christ and turn people off to Christianity altogether Too often it often seems politics has more influence than theology Sadly this leads to division where decisions on church direction and even the content of teaching gets determined more based on partisan politics than on sound biblical and theological factors *Hijacked* explores this phenomenon offers analysis and proposes a way forward *Reformation Worship* Jonathan Gibson,Mark Earngey,2018-04-23 Worship is the right fitting and delightful response of moral beings angelic and human to God the Creator Redeemer and Consummator for who he is as one eternal God in three persons Father Son and Holy Spirit and for what he has done in creation and redemption and for what he will do in the coming consummation to whom be all praise *Great Thoughts from Latin Authors* Craufurd Tait Ramage,1884 **Outlook** Alfred Emanuel Smith,Francis Walton,1876 *Romans* John R.
