But the secret is out about my new powers. And more than one guy has taken notice. Welcome to Shadowstone Academy. I'm back at the school I hate after my sister just took down the biggest, baddest secret society. At least I only have two secret societies to deal with now, and my sister close enough to begin my training. There's only one problem: The most popular guy in school has finally noticed me, but so has the biggest bully I've ever met. Funny story: the prickly guy who blames my family for stripping his powers actually needs my help. So why does he act like it's the end of the world after I use my gifts to save him from his own stupidity? As long as he keeps my little secret to himself, we won't have a problem. Because everyone wonders if I'm hiding powers as game-changing as my Seer sister. But I'll never reveal my secrets. Tensions are brewing between the two remaining societies. Can I figure out my unpredictable powers before the society big wigs realize the truth? I guess we're about to find out.
