Of all the nation's public officials the Solicitor General is the only one required by statute to be learned in the law. Although he serves in the Department of Justice he also has permanent chambers in the Supreme Court. The fact that he keeps offices at these two distinct institutions underscores his special role.

Nutrition and Sustainable Development Goal 4: Quality Education Sarah Burkhart, Elezabeth Mathews, Clinton Beckford, Alemneh Kabeta Daba, Abul Hasnat Milton, Masresha Tessema, 2024-07-03. Building on the Millennium Development Goals the UN Sustainable Development Goals (SDGs) are the cornerstone of the 2030 Agenda for Sustainable Development, billed by the UN as an agenda of unprecedented scope and significance. These seventeen goals are conceived as integrated, indivisible, and as balancing the economic, social, and environmental dimensions of sustainable development. To be achieved by 2030, the goals are organized around five core pillars: people, planet, prosperity, peace, and partnership. As a member of the SDGs Publishers Compact, Frontiers is committed to advocating the themes represented by the SDGs and accelerating progress to achieve them. Nutrition sits at the heart of the SDGs. In addition to achieving Zero Hunger (SDG2), improvements in nutrition are critical to both achieve and reap the benefits of all seventeen global goals. With good nutrition comes improved health and wellbeing (SDG3), enhanced educational and work productivity (SDGs 4 and 8), less poverty (SDG1), and reduced inequalities (SDGs 5 and 10). And with stronger and more sustainable environments, communities, and technologies (SDGs 6, 7, 9, 11, 17), improved food security and nutrition will follow. As part of an innovative collection showcasing nutrition in the context of the SDGs, this Research Topic will focus on Sustainable Development Goal 4: Quality Education.

Coleman traces skiing from its Norse roots and Alpine influences through the utility of ski travel in the winter Rockies to the rise of Colorado resorts Much more than a history of the sport her work explains how the recreation industry sold the experience of skiing and created mythic mountain landscapes with real problems and a ski culture that exalts celebrity and status over the physical act of skiing Jacket A Panel Study of Income Dynamics: 1977 interviewing year (Wave 10) University of Michigan. Alexander Forbes Irvine, 1857 The Carter Presidency Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter's election in 1976 would restore the New Deal agenda in the White

House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library The Carter Presidency is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America
