The Terror 2:

Thy Kingdom Come R. J. Rushdoony, First published in 1970 this book helped spur the modern rise of postmillennialism Revelation s details are often perplexing even baffling and yet its main meaning is clear it is a book about victory It tells us that our faith can only result in victory This is the victory that overcomes the world even our faith 1 John 5 4 This is why knowing Revelation is so important It assures us of our victory and celebrates it Genesis 3 tells us of the fall of man into sin and death Revelation gives us man s victory in Christ over sin and death The vast and total victory in time and eternity set forth by John in Revelation is too important to bypass This victory is celebrated in Daniel and elsewhere in the Bible We are not given a Messiah who is a loser These eschatological texts make clear that the essential good news of the entire Bible is victory total victory New York Magazine ,1988-09-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea II.
