Hardcover Investing Simplified:

The 3 Simple Rules of Investing Michael Edesess, Kwok L. Tsui, Carol Fabbri, 2014-06-16 Managing your money can be stressful And confusing and complicated advice from the financial industry just makes it harder But as the authors of this clear practical and enlightening book part financial guide part expos prove there are just three simple rules you need to follow and only a few investment products that are necessary for an ideal portfolio That s it And the authors dispense with all that expert advice by deftly debunking what they call investing s Seven Deadly Temptations By embracing commonsense solutions and rejecting investments that seem enticing but are needlessly complex overpriced and risky you ll put not only yourself in a stronger position but the entire economy as well

Real Estate Investing Made Simple Eric Anderson, Noelle Frieson Friedman, 2024-07-16 Practical and accessible guidebook to thrive as a real estate investor Through the pages of *Real Estate Investing Made Simple* Eric Anderson and Noelle Frieson Friedman founders of The Center for Real Estate Education one of the largest real estate schools on the East Coast walk readers through everything they need to know to make money in real estate investing just as they ve done by training over 15 000 students changing the lives of countless prospective and current real estate investors and agents looking to build their dream career *Real Estate Investing Made Simple* takes readers through personality assessments explains how to approach a property investment and leverage your portfolio and so much more In this book you ll find techniques that the authors not only teach but use in their own journeys to financial freedom as investors and developers You ll also learn about important concepts such as Knowing the why before you buy Finding your areas of strength and purpose Learning who you can trust for advice Building with leverage to create your portfolio Becoming a power player Just as the authors have done with their incredibly popular courses this book transforms content that is typically confusing and scary into a guidebook that is practical and accessible No matter what level of knowledge you re starting with the *Real Estate Investing Made Simple* is a must read resource on any investor s journey to make money in real estate

Research Made Simple Raymond Mark, 1996-02-05 Raymond Mark has extended his choreography of a modern ballet of social work research continuing to combine the classical integrity of statistical techniques with the latest problems of planning and implementation a kind of researcher s rodeo One hopes this book s use as a teaching instrument and its application as a research stimulus and guide will encourage both students and practitioners to work harder at achieving a sounder integration of theory and practice in social work from the Foreword by Chauncey A Alexander Designed to provide students with a nontechnical easy to understand guide *Research Made Simple* will help relieve the anxiety often associated with research methods courses Author Raymond Mark provides the raw materials that will allow students to read a research report understand its findings and judge the accuracy of its conclusion This concise practical volume covers the full range of material presented in most social science research methods courses but can also be used as a how to guide for professionals on the basics of the research process The topics covered range from basic concepts about the

scientific method fundamental terms and the initial steps of the research process to developing and implementing a complete research plan Separate in depth chapters discuss research ethics qualitative approaches program evaluation statistical hypothesis testing and computer applications for researchers A unique feature of this volume is the presence of an entire chapter devoted to gender and culture sensitive research that addresses the increasing need for diversity in research Each chapter concludes with end of chapter discussion questions and short assignments for review Equipped with tables appendixes and a glossary this user friendly volume will make research methods highly approachable Research Made Simple will prove to be an invaluable resource for beginning classes in research methods at both undergraduate and graduate levels and it will provide a solid foundation for those pursuing advanced studies of research methods
