action follow the book's steps and enjoy your new lifestyle and laugh yourself all the way to the bank AMA Complete Guide to Strategic Planning for Small Business Kenneth Joseph Cook, 1994 The AMA Complete Guide to Strategic Planning for Small Business is the one practical guide you'll need to plan for the growth and profitability of your business. In 192 easy-to-read pages the Guide shows you how to develop vision for your company, articulate your vision in a clear, easy-to-understand but comprehensive strategic plan, implement your plan through sound tactics and action programs, ensure support for your plan by communicating it clearly to everyone in your organization, and measure your success and control the entire process by getting the proper feedback. Every chapter includes samples, exhibits, guidelines, checklists, action points, and worksheets to make this the first truly practical guide to strategic planning. Strategic planning, possibly the two words most feared by owners of small businesses because they conjure up visions of endless paperwork, pointless meetings, and non-productive bureaucracy. But proper planning, defining your organization's mission, articulating it clearly to everyone on the organization team, and implementing it in a methodical, common-sense manner is the key to success in today's competitive business environment. And now that success can be yours with the AMA Complete Guide to Strategic Planning for Small Business.
