Framework Romantasy Saga:

The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. The Series Blueprint is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over; choose the right series structure for your genre, audience, and goals; build book-level arcs that serve a bigger long-form story; decide between saga, episodic, or hybrid models with confidence; track character growth, worldbuilding, and continuity without overwhelm; balance creativity with strategy without killing your spark; finish a series feeling proud instead of burned out. Whether you're planning your first series, halfway through a tangled one, or staring at a world that no longer makes sense, The Series Blueprint meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

City of Smoke and Brimstone Kayla Edwards, 2025-11-20 LOVE WILL BURN, WAR WILL RISE, AND NOT EVERYONE WILL SURVIVE. The fourth explosive chapter in the dark, addictive House of Devils series. This will forever be one of my all-time favorite series. 5 Reader Review: Awake or dreaming? For six months, Loren Calla has had one goal: stay alive. With her friends beside her and the love of a ruthless Darkslayer, she has beaten the odds until the Veil begins to fall and bloodthirsty creatures flood Yveswich. Now survival may demand the ultimate sacrifice. Darien Cassel, trapped deep underground and cut off from his Sight, must face a threat darker than anything he has known: one that could destroy him for good. Roman Devlin, torn between loyalty and the thief who stole his heart, stands on the edge of ruin. Every choice he makes could save his future or end it. As war ignites across worlds, love and loyalty will be tested, and not everyone will make it out alive. In this breathtaking fourth installment in the House of Devils series, all must fight if they wish to stand a chance against the dark forces poised to devour their world. But when tragedy strikes again, they realize that nothing—not even love—may be enough to save them this time. Tropes: Found Family, Fated Mates, Enemies to Lovers, Morally Grey Heroes, Forbidden Romance, War Between Worlds, Slow Burn, High Stakes, Multiple POVs, Magic System. Readers can't get enough of the House of Devils Series. THIS SERIES IS EVERYTHING TO ME. 5 Reader Review: I'm going to need 3 business days to process the events of this book. 5 Reader Review: At this point, I shouldn't be surprised at how much I love this book because every single book in this series has been 5. 5 Reader Review: This was perfection. 6 stars. 5 Reader Review: Wow, I'm at a loss for words; cannot even explain how much I loved this book. 5 Reader Review.
