**Roman Wölfel**

## **2025 Edition STEM For Kids:**

**Cyber Law and Ethics** Mark Grabowski, Eric P. Robinson, 2026-03-26 In today's digital age understanding the legal and ethical rules that govern cyberspace is essential not just for future lawyers but for anyone navigating careers in media technology business or government The updated and expanded second edition of *Cyber Law and Ethics* continues to offer a practical student friendly introduction to the fast changing world of cyber law Written by two journalists turned lawyers turned professors the book demystifies complex legal concepts and explores real world dilemmas surrounding online speech privacy cybersecurity intellectual property artificial intelligence and digital commerce It tackles timely and often controversial issues including cancel culture and content moderation AI generated deepfakes and chatbots revenge porn and age verification laws cryptocurrency regulation and financial censorship cybercrime and hacking and the global battle over who controls the internet With clear engaging writing and real life examples *Cyber Law and Ethics* avoids legal jargon and instead offers a bottom line approach tailored for undergraduate students Drawing on years of classroom experience the authors break down difficult topics in an accessible way equipping students with the digital literacy and critical thinking skills they need to understand the rules shaping our connected world A suite of instructors resources is also available to support teaching and engagement further

**Emotional Labour in the Nursing Care of Children, Young People and their Families** Mandy Brimble, 2026-03-17 This practical textbook uses case studies to highlight how emotional labour can arise and be managed in a range of settings where children's nurses work The book begins with an introduction to ideas about emotional labour and discusses their relevance to children's nursing emphasising that children's nurses not only deal with the emotional needs of children and themselves but also those of parents and carers The book then takes a case study approach presenting a wide range of chapters each focusing on a different area of practice across acute care and long term care Each chapter explores the relevance of emotional labour to the topic in question presenting a case study discussing the issues raised by the case study in the context of the wider literature and considering how potential challenges could be managed The second thematic part of the book builds on the case study chapters to discuss challenges and strategies for managing emotional labour disenfranchised grief and professional boundaries in children's nursing Chapters include Time out Reflection and Key Points sections to encourage the transfer of learning to practice This is the first book devoted to emotional labour in nursing care of children young people and their families It is an essential text for child nursing field students and a useful evidence based reference for practitioners and scholars with an interest in emotional labour

**Routledge Handbook of Space Policy** Thomas Hoerber, Mariel Borowitz, Antonella Forganni, Bruno Reynaud de Sousa, 2024-12-30 This volume offers a comprehensive overview of the field of space policy Space is a technology driven domain and policy development has accelerated in recent years at a time when the space economy has begun to show remarkable potential Thus this handbook gathers experts from different fields with the aim of offering an overview of the

state of play regarding space policy issues and 2 expanding knowledge about possible future developments Given the cross disciplinary nature of the subject and its vast scope the authors contributions are grouped within different thematic sections as follows Theoretical structures for an understanding of space policies The history of space Society justice and the human impact Governance of space Popularisation of space New frontiers in space and expansion into the unknown World space policies by geographic areas The introduction and the conclusion chapters provide a coherent connection between the contributions with each section presenting transversal themes such as power dynamics and rules commercialisation sustainability militarisation applications and domestic use and justice This volume will be of much interest to students of space policy and power security studies and international relations *TBG2025 ABM, Asia Bike Media ABM TBG2025*

**The Grandparent Effect** Kristen J. Amundson,2026-03-05 This much needed resource shares the stories of active and involved grandparents highlights programs that involve grandparents directly and features the latest research and expert recommendations for grandparents who want to know what they can do to best support their grandchildren [The Billboard](#) ,1950 **Forthcoming Books** Rose Army,2000 [Billboard Music Week](#) ,1950-05 **Educational Film Locator of the Consortium of University Film Centers and R. R. Bowker Company** Consortium of University Film Centers,1978
