Theology and Religious Studies Simon Oliver, Maya Warrier, 2008-07 A crucial volume exploring the relationship between the disciplines of Religious Studies and Theology.

Religious Studies in the 20th Century Alberto Melloni, Massimo Faggioli, 2006 In Assisi at the end of 2003, theologians and historians from various countries as well as different denominational backgrounds met to attempt an overview of religious studies in the 20th century. This meeting contributed to the debate about the effects of epistemological transitions on theology and religious studies in the 20th century. The interdisciplinary approach and the historical, political, and interdenominational character of the participants' panel enabled the meeting, the proceedings of which are published here, to identify some coordinates on the path of the 20th century from the point of view of theological and religious studies.

Theology and Religious Studies in Higher Education D.L. Bird, Simon G. Smith, 2009-03-22 A collection of essays by some of today's leading academics on the sometimes contentious relationship between religious studies and theology.
