Raising Resilient Kids Rhonda Spencer-Hwang, Rhonda Spencer-Hwang DrPH, 2021 Rhonda Spencer Hwang a mom of three children and a professor of public health set out to discover how to promote health and well being beginning in childhood Living in a community known worldwide for the unusual resilience and longevity of its citizens she wondered What childhood practices have protected the centenarians in my area from the stresses of hardship and encouraged their accomplishments She set out to interview as many of them as she could find and what she learned may change your life

Raising Resilient Kids LYDIA. HARPER, 2026-01-04 Parenting doesn't come with a manual but it does shape a lifetime Most parents aren't failing They're exhausted overloaded with advice that contradicts itself and quietly wondering why the tools they were given don't seem to work when emotions run high They're trying to raise kind resilient children while navigating their own stress past experiences and daily responsibilities with very little guidance that actually feels usable Good Inside was written for those parents This book offers a thoughtful practical approach to parenting that focuses on understanding children rather than controlling them It draws from well established parenting research real world experience and thousands of everyday situations parents face helping caregivers respond with clarity confidence and calm even during difficult moments At the heart of this book is a simple grounding belief children are not bad when they struggle and parents are not inadequate when things feel hard Big emotions defiance shutdowns and meltdowns are not failures They are signs that children are still developing the skills they need to cope with the world Good Inside helps parents recognize what's happening beneath the surface and respond in ways that teach emotional regulation build trust and strengthen long term connection Rather than offering rigid rules or trendy discipline systems this book walks parents through realistic scenarios tantrums sibling conflict bedtime resistance separation anxiety and everyday power struggles and shows how to handle them with steadiness and intention The guidance is clear relatable and designed for real life not perfect moments Just as importantly Good Inside speaks directly to the parent It acknowledges the pressure guilt and self doubt that so many caregivers carry and offers a way forward that doesn't rely on fear punishment or permissiveness Parents learn how to set boundaries without losing connection stay regulated when their child is not and lead with confidence rather than reactivity This is not a book about being a perfect parent It is a book about becoming a steadier one Good Inside is for parents who want to raise emotionally capable children while also breaking unhelpful patterns from their own upbringing It offers reassurance when you feel unsure language for hard moments and a framework that supports both the child and the adult in the relationship If you're looking for parenting guidance that is compassionate realistic and grounded in how families actually live Good Inside provides a clear and humane path forward one built on understanding consistency and trust

Nature Meets Nurture Stacey N. Doan,Jessica L. Borelli,2022 Every parent has pondered nature vs nurture questions

How much of my child's personality and behavior is inborn? How much is learned? This important new book written by behavioral scientists who are also mothers has answers. This book offers the best parenting practices to foster resilience by encouraging children's social emotional development and adaptive stress regulation strategies. The authors translate scientific research into concrete actionable tips and recommendations to help promote the emotional wellbeing of both child and parent. Authors Stacey N Doan and Jessica Borelli offer a science based framework to help show parents and guardians how biology and parenting work together. Although genetics are significant, DNA is not destiny; the die is not cast at birth. Parenting still matters deeply. Cutting edge epigenetics research and other recent scientific insights are explained to show that biology and parenting behavior are integrally intertwined. Increasingly competitive schools, looming threats of climate change and the Covid 19 pandemic have sent many parents' anxiety spiraling out of control. This affects their kids, creating a recurring cycle of stress and worry. This book is here to help.

Family Life Xena Mindhurst, 2024-10-08. *Family Life* explores the challenges of modern parenting in a technology driven world, focusing on three crucial areas: fostering emotional intelligence, managing screen time, and building resilience in children. This comprehensive guide argues that mastering these aspects is essential for raising well-adjusted adults capable of navigating 21st century challenges. The book combines historical perspectives with recent research in child psychology, neuroscience, and sociology to provide a holistic understanding of contemporary parenting issues. Divided into three main sections, the book offers evidence-based strategies for each key topic. It introduces the concept of emotional intelligence and its long-term benefits, provides guidelines for age-appropriate technology use, and explores the science of grit and perseverance. What sets *Family Life* apart is its balanced approach, blending scientific research with relatable anecdotes and practical advice. Rather than offering one-size-fits-all solutions, it provides a framework for parents to develop personalized strategies based on their family's unique needs. The book's accessible yet informative style makes it valuable for parents of children aged 3-18, as well as educators and policymakers. It addresses the specific challenges of different age groups and includes real-world examples, step-by-step guides, and reflection exercises. By emphasizing practical applications and acknowledging parenting controversies, *Family Life* empowers readers to make informed decisions and tackle the complexities of raising children in the modern age.
