Nadya Agard, 2011-07-27 The Storm Within is a collection of poems that touch on various life themes The emotional drama of life is expressed in themes ranging from romantic love to love of God and includes others such as joy rejection pain childhood parenthood and emotional turmoil The work is titled after one of the poems in the book It was chosen because the book reflects life as it is often experienced but rarely expressed life as a storm within While the collection does not intentionally focus on any single theme some may perceive a focal theme to run through many of the poems Full of raw and honest emotions the collection is provocative spiritual and erotic It stimulates introspection **A Lecture on the Storm in Wiltshire, which Occurred on the 30th of December, 1859** George Augustus Rowell, 1860 **The Storm Within** Dennis Hodgdon, 2024-04-05 Tales of the Sea: being an account of the great storm in Bridlington Bay, etc. (10th February, 1871.). William SHARRAH (and DAY (John William)), 1876 **Poltergeist** Rob McLaughlin, 2023-07-01 Created by Steven Spielberg yet officially directed by Tobe Hooper Poltergeist 1982 can be best described as family horror movie both in its target audience and in its narrative context the story of an All American suburban family the Freelings whose home suddenly becomes the site of a spectacular haunting apparently summoned by their young daughter The film is somewhat of an anachronism and this Devil's Advocate explores this in both the scope of production and narrative The book discusses the duality of the text highlighting debates surrounding both Spielberg's somewhat saccharine portrayal of middle class

Americana and his more subversive cinematic endeavours The duality of the text also will also be discussed in the context of the film s production with both Spielberg and Hooper on set for much of the time the result was a movie with the production values effects and marketing of a high budget mainstream cinema blockbuster apparently directed by a subversive grindhouse cinema auteur Yet Poltergeist is neither nor both of those things instead being a unique hybrid of genres and styles taking the best and worst from both aspects of family blockbuster and cult horror film and as such can be seen as a text that is something unique a classic modern take on the traditional haunted house story
