**Witches, Tea Plantations, and Lives of Migrant Laborers in India** Soma Chaudhuri,2013-08-15

Witches Tea Plantations and Lives of Migrant Laborers in India Tempest in Teapot is a unique book that brings together a holistic theoretical approach on the subject of witchcraft accusations specifically those taking place inside a tea workers community in India Using a combination of in depth and extensive qualitative methods and drawing on sociological anthropological and historical perspectives Chaudhuri explores how adivasi tribal migrant workers use witchcraft accusations to deal with worker management conflict Chaudhuri argues that witchcraft accusations can be interpreted as a periodic reaction of the adivasi worker community against their oppression by the plantation management The typical avenues of social protest are often unavailable to marginalized workers due to lack of organizational and political representation and resources As a result the dain witch becomes a scapegoat for the malice of the plantation economy Within this discourse witch hunts can be seen not as exotic and primitive rituals of a backward community but rather as a powerful protest by a community against its oppressors The book attempts to understand the complex network of relationships ties of friendship family politics and gender that provide the necessary legitimacy for the witch hunt to take place In most cases examined here seemingly petty conflicts within the villagers often escalate to a hunt At the height of the conflict the exploitative relationship between the plantation management and the adivasi migrant workers often gets hidden The book demonstrates how witchcraft accusations should be interpreted within this backdrop of labor planters relationship characterized by rigidity of power patronage and social distance Witches Tea Plantations and Lives of Migrant Laborers in India should appeal to criminologists sociologists anthropologists labor historians gender scholars labor migration scholars witch hunt and witchcraft accusation global scholars adivasi scholars South Asian scholars
