**Mindfulness and Wellbeing for Student Learning: A Guided 5-Week Course** Lorraine Millard, Louise Frith, Patmarie Coleman, 2023-01-16 Study and student life is inherently stressful When students go to university or college they enter a competitive world where their value is judged by each assignment they submit Deadlines are always looming and often they seem to pile on top of each other meaning that students have to complete multiple assignments within days of each other And this is just the study element of university life the social side of student life can at once be exhilarating and overwhelming or an anti climax For many students it is their first time away from home so they have the stress of making new friends and forging their identity Local and mature students need to integrate their existing life perhaps with caring responsibilities and paid employment with a new life of study and deadlines As a result they can have many competing expectations of themselves This introduction to mindfulness starts with a focus on the breath as an anchor to the body It uses the main lessons of mindfulness which include bringing attention automatic pilot staying in the present thoughts are not facts practicing loving kindness and cultivating curiosity It provides students with strategies to help them cope with the demands of being a student and how to navigate a path to achieve a sense of balance in their lives enabling them to achieve their

potential It also provides guided meditation scripts and session plans for anyone wanting to lead a mindfulness group The book will consist of five chapters plus an introduction and conclusion This follows the structure of the course that we run Each chapter begins with a story vignette about student life which puts the meditation into context There will be a guided meditation in each chapter and activity reflection exercises Louise Frith is a Student Learning Adviser at the University of Kent UK She teaches academic literacy to students across the disciplines with particular focus on supporting students on the social work programmes Lorraine Millard a Student Counsellor at Kent and mindfulness practitioner She is a UKCP accredited Psychotherapist and Supervisor with over 30 years experience in varied settings Patmarie Coleman is a senior counsellor at the University of Kent and also has a private supervision practice in South East London *Coaching Expertise* Iain McCormick,2025-02-28 This book will enable you to develop in depth coaching expertise Effective coaches all want to continuously build their skills to help their clients more Yet widespread evidence shows that although most professionals do initially develop rapidly more experience does not lead to better outcomes for clients Coaching expertise uses a scientifically proven form of professional development called deliberate practice to help you greatly develop your skills It provides a purposeful systematic method that contrasts sharply with traditional training It is an enhancement process that is already used widely in sport medicine martial arts psychotherapy music and many more areas This is the first book on how to use this approach to help coaches dramatically improve their practice Coaching expertise Six practical steps for every effective coach is an easy to read informative and very practical guide for coaches It is written for those who wish to develop excellence in their coaching in a way that goes beyond learning the new bright shiny skill or technique Written by a highly experienced internationally recognised author and coach this book is a very useful and engaging resource for all coaches who wish to develop their capability *Future Fit* Andrea Clarke,2025-02-12 Prepare for the future with the eight skills needed to become future fit Winner Australian Business Book of the Year 2019 Finalist UK Business Book Awards 2020 Finalist Australian Career Book of the Year 2019 The need for skills that defy disruption has never been so urgent as traditional workplace models give way to confronting new rules of engagement If you re looking for job security growth and acceleration in a radical new workforce then Future Fit is the place to start Award winning author Andrea Clarke shares her experience expertise and tactical advice on how to become truly future fit The future of work is here and it s about talent your talent It s about upgrading our human skills because they re landing differently in a hybrid environment says Clarke These skills are powerful differentiators in a dynamic and demanding new workplace Using her experience from a vibrant and varied career Clarke explores the eight real skills we need for the future Reputation Capital Adaptability Communication Networking Creativity Problem solving Leadership and Learning A former Washington DC news reporter Iraqi humanitarian aid worker and EdTech pioneer Clarke founded FutureFitCo in 2012 a business that trains emerging leaders to accelerate these core competencies The Future Fit Digital Program adapted from this book is delivered globally to multi national organisations

Davidson,Vanessa Druskat,George Kohlrieser,2017-06-02 Empathy means having the ability to sense others feelings and how they see things A quick read for anyone wanting to improve their own or their team s leadership skills this Primer features thought leaders who are championing research in this field Daniel Goleman Richard Boyatzis Richard Davidson and Vanessa Druskat *Emotional Intelligence* Andy Cope,2016-11-29 A SELF HELP MANUAL FOR HUMAN BEINGS The Little Book of Emotional Intelligence is an immediate outcome focused primer on the important topic of EQ which provides practical no nonsense life advice and takes a sideways look at a world which is complicated and overwhelming at times Do you seem to spend half your life counting down the days til your next holiday Does it sometimes feel like your life is being lived on fast forward with little time for reflection or idle amusement It s time to stop kicking happiness into the long grass and get on with really living Funny colourful and profound this book is a gripping manual for the human mind enabling you to understand and control your emotions communicate better unpick limiting beliefs and finally get around to living a happier more balanced life **The Unopened Gift** Dan Newby, Lucy Nunez,2017-03-23 The Unopened Gift reveals what we have not yet understood about emotions That emotions aren t in competition with reason but are an essential part of thinking that they are constantly giving us information about the world around us *The SAGE Handbook of Critical Pedagogies* Shirley R. Steinberg, Barry Down,2020-03-06 An international outlook on the different aspects of critical pedagogy Authors from around the global discuss the both philosophical and social common themes on the subject [Emotional Intelligence Workbook](#) Jake Coleman,2020-06-18 Sure you too in file have been told by your parents and teachers that only by studying and doing well in school would you become someone What if I told you that it is not just a high IQ that allows you to be someone and achieve your goals A person with a high IQ good grades and high cognitive functions certainly has more opportunities for success in life but these characteristics are not the only things that matter The success is the result of a combination of various factors and the most important thing is the EMOTIONAL INTELLIGENCE which is the ability to manage your emotions and those of the people around you to get the best of it One of the most important characteristics a person should have to experience intimate and satisfying relationships and to succeed in life is emotional intelligence Many people think that emotional intelligence E Q as it s commonly referred to is something innate They re wrong because while emotional intelligence can be innate or passively acquired it s also something that one can proactively or intentionally develop In this book you will read all there is to know about developing EQ as a beginner or someone new to the concept By the time you ve finished reading this

book you'll be armed with everything needed to start your EQ development journey. But before we begin, let me give you a couple of practical tips to make the most out of this book:

1. When you get to the sections on how to develop your EQ, think about each strategy or technique: are you already practicing it in your life? If so, to what extent are you already doing it? Write down your thoughts as you read each technique before proceeding to the next one.
2. Once you finish reading all the techniques, review all your notes. Identify those you believe you're not yet practicing and those that you already are, but the degree of which is minimal or lacking.
3. For those that you aren't practicing yet, think of how you can start practicing them on a regular basis. For those you already are, but on a minimal level, think of ways how you can practice them more regularly.
4. Rank the techniques according to ease of implementation, i.e. from easiest to the most difficult.
5. Start practicing the easiest technique. Once you've gotten it down to pat, move on to the next one and so on. So are you ready to start working on a higher EQ level? What are you waiting for? Turn the page so you can already start the journey.
