Theorizing Praxis Paul Fairfield,2000 Theorizing Praxis investigates the theory practice relation in philosophy particularly within the fields of hermeneutics ethics and the philosophy of education In so doing it uncovers important areas of common ground between hermeneutical and pragmatist philosophy Paul Fairfield defends a practice immanent method of theorizing which is indebted to both traditions and aims to explicitly articulate the spontaneously emergent constitutional dynamics of social practices rather than continue the project of transcendental theory construction

Critical Pedagogy and the Everyday Classroom Tony Monchinski,2008-06-28 Critical Pedagogy addresses the shortcomings of mainstream educational theory and practice and promotes the humanization of teacher and student Where Critical Pedagogy is often treated as a discourse of academics in universities this book explores the applications of Critical Pedagogy to actual classroom situations Written in a straight forward concise and lucid form by an American high school teacher drawing examples from literature film and above all the everyday classroom this book is meant to provoke thought in teachers students and education activists as we transform our classrooms into democratic sites From grading to testing from content area disciplines to curriculum planning and instruction from the social construction of knowledge to embodied cognition this book takes the theories behind Critical Pedagogy and illustrates them at work in common classroom environments

Disturbing Practice Avner Segall,2002 Annotation Segall teacher education Michigan State U presents this critical analysis of teacher education based on a year long study of six social studies teacher trainees at the University of Western Canada The author raises questions about what and how teacher trainees learn do not learn and learn not to learn in preservice education courses how the structures discourses and practices in these courses encourage students to learn some things and not others and how typical teacher trainee courses influence the classroom choices later made by graduates when they become teachers Segall argues that traditional teacher training courses encourage compliance over true critical thinking making it difficult to produce critical teachers who provide critical education in our schools Annotation c Book News Inc Portland OR booknews com
