Theran Empire:

Theran Empire FASA Corporation Staff, Robin D. Laws, 1997-09 Before the long night of the Scourge the island of Thera was a stronghold of learning and magic the shining heart of the mighty Theran Empire Then the Horrors came to ravage the world and Thera retreated into the sorcerous protection of its island citadel Since the end of the Scourge Thera has slowly but surely reclaimed many of the far flung lands it once ruled and remains the greatest power in the world of Earthdawn The Theran Empire Sourcebook lets players roam throughout Earthdawn s mightiest realm It describes the island city of Thera from which the Empire sprang as well as five Imperial provinces with an assortment of unusual cultures new types of magic and new creatures and races

The Strains of Malice Andrew Beardmore, Book one of the gripping new historical fantasy series *The Nessemiah Is anywhere on Thera safe from Nessemi Or the hell that lies beyond I m afraid there are good and bad everywhere Emilyya* It s a fact of life that wherever you look there are strains of malice Fifteen year old baker s daughter Emilyya Luca is in serious trouble with the Glennadian Crown Her crime to prevent a small dog from being torn apart by hounds belonging to the callous Prince Magnus Having been rescued by former naval captain Jake Oscom the unlikely pair become fugitives hunted across Glennad initially for cruel sport but latterly after Oscom is framed for a heinous crime committed by Magnus himself Elsewhere in a world with unusual geographical quirks and subtle energy lines hardships endure for a close knit community of miners and unimaginable foul play befalls a Glennadian princess but these trials pale into insignificance compared to what northern astronomers have just discovered Four hundred leagues south in the ancient city of Thera the cruel eyes of Calidius Antoninus Dominius have seen the same thing but to him it merely expedites his imperial ambitions and presents a justified opportunity to brutally murder thousands of his subjects This is an authentic and well developed epic fantasy world with lots of heroes to root for and villains to dislike It reminds me of *A Song of Ice and Fire* Prince Magnus certainly gives Joffrey a run for his money LoveReading Beardmore is a fantastic storyteller with a penchant for meticulous details He crafts a world so humanistically flawed and tremendously intriguing onlinebookclub.org

Cold Sanctuary Andrew Beardmore, Book two of the gripping new historical fantasy series *The Nessemiah Is anywhere on Thera safe from Nessemi Or the hell that lies beyond I m afraid there are good and bad everywhere Emilyya* It s a fact of life that wherever you look there are strains of malice Emilyya and Jake have separated to increase their chances of avoiding capture and execution for a crime they have not committed While Jake and infamous highwayman Harry Black lead Prince Magnus a merry dance across Glennad Emilyya has landed in even greater peril at Kifsel Place Monastery where amongst the peace loving monks there are others with sinister motives Meanwhile unaware that their governments are preparing for deadly Nessemi matters deteriorate for our other northern islanders at the hands of murderous smugglers scorned exes and ruthless Abolitionists Four hundred leagues south the Theran Empire is also preparing for Nessemi by rolling out diversions on a massive and brutal scale As well as the demographic cleansing that is *Expurgatio* Emperor Calidius is also driving the deaths

of thousands in Liatia's fighting pits where former Demonacian general Draxaelen battles to stay alive. But little does Drax know that time is running out for his revenge; in fact, time is running out for everyone. These books continue to remind me of *A Song of Ice and Fire* with a deadly looming threat overshadowing peril and conflict in the lives of our characters. Beardmore knows when to finish a book, leaving you asking questions and keen to discover more. LoveReading: Beardmore is a fantastic storyteller with a penchant for meticulous details. He crafts a world so humanistically flawed and tremendously intriguing.
